Records of Girlhood Valerie Sanders,2016-04-08 In this sequel to her 2000 anthology, Valerie Sanders again brings together an influential group of women whose autobiographical accounts of their childhoods show them making sense of the children they were and the women they have become. The fourteen women included juxtapose recollections of the bizarre with the quotidian and accounts of external events with the development of a complex inner life. Reading and acting are important themes, as is the precariousness of childhood, whether occasioned by a father's financial pressures or the early death of a parent. Significantly, most grew up expecting to earn their own living. The collection includes children's authors (Frances Hodgson Burnett and E. Nesbit), political figures (Emmeline Pankhurst and Louisa Twining), and well-known

writers (Mary Elizabeth Braddon, Anne Thackeray Ritchie, Sarah Grand). Of relevance to scholars working in the fields of women's autobiography, the history of childhood, and Victorian literature, this anthology includes a scholarly introduction and brief biographical sketches of each woman.

Oil Money and Tears Chidi Osuji,2023-09-23 A quest of an undying soul Three men bargain to conquer poverty by taking a bold step into an uncertain future, a deal to work a good job with benefits and life-threatening risks. The story provides a way out of poverty for three desperate men. Fate has brought them two jobs. One at the oil rig another at an organiser criminal organisation that provides all the benefits of a good job but is attached to life-threatening risks. Both jobs are meant to shield them from poverty; however, the choices of men show which job puts them and the community in abject poverty. The storyline cuts across what every African community blessed (cursed) with black gold has to face. From the workers in the oil rig to the surrounding community. The black gold has cut rot deep into the hearts and land of its victims. A misconceived criminal organisation called the oil gangs takes a desperate risky measure to correct social injustice negatively affecting the sons of the land and their communities, but they never played it fair. Eloho, Mobo and Dafe take on the job with a misconceived criminal organisation, the oil gang. Let's see whether or not their lives change for the better as they strive for survival and escape the wrath of the law. Readers will be perused through themes like trust love, pain, sacrifice, man inhumanity to man dedication and more.

Worship Together Sandra Millar,2012-06-21 This book explores the way in which liturgy can be used effectively in all-age communication. It will explore what we mean by worship and what we mean by 'all-age', particularly looking at the all-age experience in the secular world and the skills that make good multi-generational communication happen (e.g. how do Disney Pixar do it). It then goes on to unpack the liturgical framework which is the bedrock of many traditional churches, showing this may well be used imaginatively to create worship for whoever is present. It will also contain twelve full worship outlines, one for each month of the year.
