

Folk Around And Find Out

Penny Reid

Folk Around and Find Out Penny Reid, 2022-10-18 He needs to get her out of his system. Just once... Hank Weller doesn't help people. He leaves that do-gooder nonsense to his best friend, Beau Winston. Hank does what he wants, when he wants, with whomever he wants—and Hank does not want to hire Charlotte Mitchell to be an exotic dancer at his club, The Pink Pony. Sure, he can't help noticing the dips and curves of her, how shrewd, smart, and funny she is, the fire in her hazel eyes. He's always noticed. She'd probably draw a crowd and entice the regulars. But after Charlotte's messy, public divorce made Hank's club out to be the culprit—and made her the single mother of four kids—he doesn't need or want any additional bad press courtesy of Charlotte Mitchell. Or the distraction. Unfortunately for him, the town's prettiest charity case doesn't seem to understand the meaning of the words nope, no, and never. Charlotte Mitchell doesn't much like Hank Weller. Once upon a time, she used to. Years ago, she liked him a whole heckofalot despite other folks in town labeling him as “eccentric” and “nonconformist,” which were polite southern alternatives to “filthy rich” and “self-centered douchebag.” Her opinion of him changed dramatically after he volunteered to be her date to junior prom and then promptly stood her up. They haven't so much as acknowledged each other in over a decade. But a sudden family emergency means Charlotte needs access to Hank's club ASAP. Unfortunately for her, the narcissistic fancy-pants doesn't seem to understand the meaning of the words help, generosity, and compassion. But he's about to find himself schooled. Charlotte is going to teach Hank a lesson once and for all about basic human decency, whether he likes it or not. Spoiler alert. . . he likes it. □ ‘Folk Around and Find Out’ is the second book in the Good Folk series and is a full-length, small town, contemporary romantic comedy novel.

Ten Trends to Seduce Your Bestfriend Penny Reid, 2022-04-12 Winnifred Gobaldi and Byron Visser are not best friends. Yes, they've known each other for years, but they're not even friendly. Winnie considers them more like casual, distant acquaintances who find each other barely tolerable, especially when he's being condescending (which is all the time). The truth is, they have nothing in common. She's a public school science teacher with stars in her eyes, and he's a pretentious, joyless double PhD turned world-famous bestselling fiction author. She loves sharing her passion for

promulgating women in STEM careers and building community via social media, and he eschews all socialization, virtual or otherwise. She's looking for a side hustle to help pay down a mountain of student debt, and his financial portfolio is the stuff of fiduciary wet dreams. So why are they faking a #bestfriend relationship for millions of online spectators? When a simple case of tit-for-tat trends between nonfriends leads to a wholly unexpected kind of pretend, nothing is simple. Sometimes, it takes a public audience to reveal the truth of private feelings, and rarely—very rarely—you should believe what you see online. Ten Trends to Seduce Your Bestfriend is a full-length, complete standalone, adult contemporary romantic comedy.

Totally Folked Penny Reid, 2021-07-20 One unforgettable night leads to an unlikely shared connection, and unlikely connections never go unnoticed by the good folks in Green Valley, Tennessee. . . Jackson James follows the rules. He has to. He's a sheriff's deputy in a super small town with a super big personality. However, strict adherence to the law during the day has been enjoyably balanced by rakish rules at night. Jackson, typically happy to protect and serve (and serve, and serve), starts questioning the value of wayward evenings when getting laid starts to feel more like being waylaid. Could it be that Green Valley's most eligible—and notorious—bachelor longs for something (and someone) real? Mega movie star Raquel Ezra follows only one rule: always leave them wanting more. Studio execs, reporters, audiences, fans, lovers—no one can get enough of the smart, savvy, and sexy bombshell. But when “generous offers” begin to feel more like excessive demands, years of always leaving has the elusive starlet longing for something (and perhaps someone) lasting. When Raquel abruptly returns to the quirky Tennessee hamlet, her path crosses with the delectable deputy with whom she spent one unforgettable night. Unfortunately, scandal and intrigue soon follow. Raquel and Jackson must decide which is more important: following their rules? Or, at long last, finding something real. ‘Totally Folked’ is the first book in the Good Folk series and is a full-length, small town, contemporary romantic comedy novel. TOTALLY FOLKED is a standalone, contemporary romantic comedy novel and book #1 in the Good Folk: Modern Folktales series.

Hip Hop Is Not Our Enemy Dr. Kenneth T. Whalum Jr.,2010-03-01 It is easy to condemn hip-hop for the condition of our society, but as we condemn our own young people for being who they are, what role do we play in making them who they are, and what do we have to offer them as an alternative to who they are? Hip-Hop Is Not Our Enemy is an insider's critique of the Black church's role and responsibility in co-opting hip-hop culture. It is written by a Black Baptist Pastor who survived a church split that occurred because of his dedication to co-opting hip-hop culture. The final chapter serves as a how-to guide to preparing a sermon that will connect with the hip-hop generation.
