If it Weren't for the Honor--I'd Rather Have Walked Jan Little,1996 Since 1952, when she contracted polio at age 13, Jan Little has used a wheelchair. Over those four decades, she has watched the labels attached to her change from cripple to handicapped to physically challenged. She has not only seen many barriers fall which previously blocked people with disabilities from living a full life -- she has had a major hand in pulling them down. There is very little sweetness, pathos or false sentiment in Jan Little's story. There is a lot of vinegar, a full measure of comedy and irony, and finally, an honestly inspiring message about guts and conquering adversity.
