Summary of Frank Hammond & Ida Mae Hammond's Pigs in the Parlor Everest Media, 2022-07-02T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 Demons can invade and indwell human bodies. They do so in order to gain a greater advantage in controlling the person they are working from the inside than when they are working from the outside. When demons indwell a person, he or she is said to be possessed by evil spirits. #2 The Christian should consider indwelling demons as unnecessary and undesirable trespassers. A trespasser is one who unlawfully and stealthily encroaches upon the territory of another. The Christian must confront and challenge the demons on the basis of his legal rights. #3 All demons are liars and deceivers. They have no right to indwell bodies redeemed by the blood of the Lord Jesus Christ. When demons are being commanded out of a person, they will sometimes claim that they have been there a long time, as though tenure of occupancy gives them title to a person's body. #4 As a spiritual type, the pig is to the natural realm what the demon spirit is to the spiritual realm. Just as the Israelite zealously protected himself from contact with pigs, the Christian is to guard himself from contact with evil spirits.

Deliverance and Healing for All Rev. Ibet N. Toltowicz Evangelist, 2019-09-09 He was afraid to open them, but hesitantly opened his eyes at my insistence. When he began to look around, he could not see the spirit anywhere. He continued to look all over but the spirit that had tormented and tracked him all of those long years was instantly gone. Praise and glory and honor be to our God. At that moment I knew that this young man realized that God's power was greater than Satan's.

John Chrysostom and African Charismatic Theology in Conversation Samantha L. Miller,2021-03-18 This book puts John Chrysostom in conversation with deliverance ministries and the prosperity gospel in modern African charismatic Christianity. Samantha Miller argues that Chrysostom had a cosmology not unlike that present in the charismatic Christianity of the global south, where the world is populated by spirits able to affect the material world. Additionally, Chrysostom had plenty to say about suffering, demons, and prosperity. Through this conversation, issues of personal moral responsibility and salvation rise to the surface, and it is through these issues that modern Western and African Christians—theologians, pastors, missionaries, and laity—can perhaps have a conversation that gets past the question of a spirit-inhabited world and talk together about the saving work of Christ for the benefit of all the church.

Holy Spirit, the Deliverer Loreatha Gunnels-Mayberry,2014 When someone becomes a Christian, they belong to God--but the devil doesn't always let go easily. Sometimes he tries to hold on to what--who--used to be his. That's why deliverance ministry is so important, freeing God's people from the ties that can bind and keep them from knowing the fullness of their new life in Him.

Binding the Strongman with the Keys of the Kingdom Frank Hammond,2022-10-31 From the Author of Pigs in the Parlor: A Practical Guide to Deliverance...Two Armies are Better than One!There are strongmen in the demonic kingdom, ruler spirits over individuals, families, cities and nations. Scripture reveals that there are also Godly, angelic rulers assigned over every family and nation. God has an army. He is the Lord of Hosts, the Lord of Armies. In Daniel 10, the command was issued for Michael to fight against the strongman holding the people of Israel in bondage. He came against the prince of Persia, so that God's people might be set free and return to their homeland. Before this event ever took place on earth it was accomplished first in the Heavenly realm. The powers of the demonic princes were broken by the angelic forces of the hosts of God and it set the people of God free. In this teaching, Frank Hammond explains that Jesus said it is now His Church that is now going to come against the rulers of the Satanic kingdom. In the Old Testament, there was just one army - the angels - who were called upon to fight spiritual battles. But now, we read in Ephesians 6, that we (as believers) wrestle against powers and principalities. God now has two armies, a heavenly one (angels) and an earthly one (believers). We join together with the angels in doing battle in the name of the Lord of Hosts, against the demonic strongmen over families, churches, cities and nations.
