Positivity Paul McKenna,2022-01-06 Do you want more optimism, confidence, resilience and motivation? Then this book is for you! We currently live in a time of unprecedented challenges, uncertainty, overwhelming stress, loss of hope at times and a need for mental strength and adaptability to a new way of life. Traditional 'positive thinking', trying to constantly tell yourself that everything is OK, no matter the circumstances, just isn't enough to make any lasting difference. After 30 years working as a therapist, Paul McKenna has developed a unique approach - one that can guide you towards an all-round feeling of positivity - putting you into optimal states of mind, building up your resilience and enabling good decisions and actions that lead to successful results in life. There is now irrefutable scientific evidence that shows that particular ways of thinking and acting produce tangible positive results in people's ability to deal with challenges and their overall quality of life. The research also shows that this mindset can be learned quickly just like any habit. And that is why this book is a practical psychological system in how to survive and thrive - how to discover your own natural most powerful resources for self-care, self-belief and for taking control of your life.

Train Your Brain Idalia Willis, 2020-08-26 Training your brain is the science of changing your negative belief system by reprogramming the subconscious mind in order to change your life's circumstances for the better. Practicing affirmations of gratitude on a continuous basis, teaches us to count our blessing instead of complaining and constantly begging the Universe or God for material things and healing, that He has given us the power to manifest on our own with the power of our own minds, by reprogramming the subconscious to bring about our true birthright as children of the Most High Creator. What makes this book stand out and different from other self-help books, is I have discovered the magic of Brainwave Entrainment and what real hypnosis is really all about, and the power of how to reprogram your subconscious mind to undo negative conscious beliefs that have influenced us for all the years we have lived. _TO UPDATE_
