**Deep Sky Objects** David H. Levy, 2005-11-07 Veteran comet hunter and eloquent popular astronomy writer David H. Levy takes amateur sky-watchers on a fascinating journey into deep space in this enthusiastic and informative survey of the many far distant yet observable objects in the night sky. Light years beyond our solar system, deep sky objects include such intriguing phenomena as double and triple stars, nebulae, galaxies, and quasars. Designed to be accessible for even beginners, Levy's clear, elegant descriptions will guide astronomy buffs in any hemisphere and locale (light-polluted cities as well as dark countryside) to the wonders of our enormous universe. As the discoverer or codiscoverer of twenty-one comets, including the famous Shoemaker-Levy 9 that crashed into Jupiter in 1994, Levy has devoted many decades of experience to observing the night sky. Over the years he has located over 300 deep sky objects, of which more than 100 best and brightest are featured in this book. Levy offers a physical description and a discussion of each object's history and beauty, as well as a star atlas to aid in finding the objects. Proceeding from objects closest to our solar system to those farthest away, Levy gives readers an awe-inspiring glimpse into the structure of the cosmos. Complete with both color and black-and-white photos, plus many helpful illustrations, *Deep Sky Objects* is the ideal guide to the wonders of the universe for both experienced and novice star gazers.

Rosebud Rich Haney, 2001-10-01 Half white, half Sioux and totally beautiful, Rosebud -- from 1876 till 1891, as she aged from fifteen to twenty-nine in the pages of this book -- emerged as the greatest legend of the Indian Campfire Stories all across the Great Plains, an honor she still holds to this day. Madly in love with Lt. David Hamilton Maynadier -- the most influential young officer at Fort Laramie -- Rosebud, in the spring of 1876, cast her lot with Sitting Bull's Hunkpapa Sioux when she sensed the impending demise of the Sioux nation. She saw Custer die at the Little Bighorn on June 25th, 1876; she witnessed Sitting Bull's murder at Standing Rock on December 15th, 1890; and she barely escaped the Massacre at Wounded Knee Creek on December 29th, 1890. Her Sioux nickname was Wanekia (Angel) but the soldiers that threatened what remained of her beloved Hunkpapas had ample reason to fear her as the very greatest of the Sioux warriors. During those fifteen years -- 1876 to 1890 -- no one, not even her idol Sitting Bull or her friend Crazy Horse, fought as tenaciously or as effectively as Rosebud did to preserve the life and the legacy of the Sioux nation she cherished.
