**POLITICAL PARTIES** NARAYAN CHANGDER,2024-02-22 Note: Anyone can request the PDF version of this practice set/workbook by emailing me at [cbsenet4u@gmail.com](mailto:cbsenet4u@gmail.com). You can also get full PDF books in quiz format on our youtube channel <https://www.youtube.com/@SmartQuizWorld-n2q> .. I will send you a PDF version of this workbook. This book has been designed for candidates preparing for various competitive examinations. It contains many objective questions specifically designed for different exams. Answer keys are provided at the end of each page. It will undoubtedly serve as the best preparation material for aspirants. This book is an engaging quiz eBook for all and offers something for everyone. This book will satisfy the curiosity of most students while also challenging their trivia skills and introducing them to new information. Use this invaluable book to test your subject-matter expertise. Multiple-choice exams are a common assessment method that all prospective candidates must be familiar with in today's academic environment. Although the majority of students are accustomed to this MCQ format, many are not well-versed in it. To achieve success in MCQ tests, quizzes, and trivia challenges, one requires test-taking techniques and skills in addition to subject knowledge. It also provides you with the skills and information you need to achieve a good score in challenging tests or competitive examinations. Whether you have studied the subject on your own, read for pleasure, or completed coursework, it will assess your knowledge and prepare you for competitive exams, quizzes, trivia, and more.

**Two Presidents Are Better Than One** David Orentlicher,2013-03-11 “Can Orentlicher be serious in calling for a plural executive? The answer is yes, and he presents thoughtful and challenging arguments responding to likely criticisms. Any readers who are other than completely complacent about the current state of American politics will have to admire Orentlicher’s distinctive audacity and to respond themselves to his well-argued points.” —Sanford Levinson, author of *Framed: America’s 51 Constitutions and the Crisis of Governance* “In this refreshingly provocative book, David Orentlicher explains why it is due time for us to reconsider dominant ideas about the presidency, now arguably our most powerful political institution.” —William E. Scheuerman, Indiana University When talking heads and political pundits make their “What’s Wrong with America” lists, two concerns invariably rise to the top: the growing presidential abuse of power and the toxic political atmosphere in Washington. In *Two Presidents Are Better Than One*, David Orentlicher shows how the “imperial presidency” and partisan conflict are largely the result of a deeper problem—the Constitution’s placement of a single

president atop the executive branch. Accordingly, writes Orentlicher, we can fix our broken political system by replacing the one person, one-party presidency with a two-person, two-party executive branch. Orentlicher contends that our founding fathers did not anticipate the extent to which their checks and balances would fail to contain executive power and partisan discord. As the stakes in presidential elections have grown ever higher since the New Deal, battles to capture the White House have greatly exacerbated partisan differences. Had the framers been able to predict the future, Orentlicher argues, they would have been far less enamored with the idea of a single leader at the head of the executive branch and far more receptive to the alternative proposals for a plural executive that they rejected. Analyzing the histories of other countries with a plural executive branch and past examples of bipartisan cooperation within Congress, Orentlicher shows us why and how to implement a two-person, two-party presidency. Ultimately, *Two Presidents Are Better Than One* demonstrates why we need constitutional reform to rebalance power between the executive and legislative branches and contain partisan conflict in Washington. David Orentlicher is Samuel R. Rosen Professor at Indiana University Robert H. McKinney School of Law. A scholar of constitutional law and a former state representative, David also has taught at Princeton University and the University of Chicago Law School. He earned degrees in law and medicine at Harvard and specializes as well in health care law and ethics.

**Guide to U.S. Political Parties** Marjorie R. Hershey, 2014-04-01 This one-volume reference presents the major conceptual approaches to the study of U.S. political parties and the national party system, describing the organization and behavior of U.S. political parties in thematic, narrative chapters that help undergraduate students better understand party origins, historical development, and current operations. Further, it provides researchers with in-depth analysis of important subtopics and connections to other aspects of politics. Key Features: Thematic, narrative chapters, organized into six major parts, provide the context, as well as in-depth analysis of the unique system of party politics in the United States. Top analysts of party politics provide insightful chapters that explore how and why the U.S. parties have changed over time, including major organizational transformations by the parties, behavioral changes among candidates and party activists, and attitudinal changes among their partisans in the electorate. The authors discuss the way the traditional concept of formal party organizations gave way over time to a candidate-centered model, fueled in part by changes in campaign finance, the rise of new communication technologies, and fragmentation of the electorate. This book is an ideal reference for students and researchers who want to develop a deeper understanding of the current challenges faced by citizens of republican government in the United States.
