The 13 You Can't's Steve Gottry, 2022-04-05 Many of us today are addicted to "self-help" books, videos, seminars and

almost anything about any area of life that we could possibly need to improve. They all have one thing in common. They tell us what is possible, if we want it, seek it, work for it, pray for it, and believe in it badly enough. What they DON'T tell us is that there are things that we CAN'T do—no matter how fervently we want, seek, work, pray, or believe. These things are the “can'ts.” They are life's impossibilities, things we will not accomplish, rewards we will never realize. Over the years, author Steve Gottry has discovered 13 significant “you can'ts.” These 13 are deceptively simple. They are also simply deceptive. Most of us, in failing to achieve them, feel that we have been defeated by events and circumstances that we should have been able to control. But the problem has nothing to do with our inability to control things around us, and everything to do with how we deal with, and eventually accept, what we can and can't do. This book is about living a life of contentment, by moving beyond your expectations and limitations. Understanding, and accepting these thirteen limitations, you will be free to maximize your potential in ways you never imagined possible. You'll live your own life, rather than trying to live the lives of those around you, and you may also find subtle, simple ways to help those you love find happiness, too. Now is the perfect time to discover the 13 “you can'ts.”

Back to the Garden Patrice Dickey, 2006-05 Dickey shares riveting stories of real people who have used the simple secrets she teaches to free themselves from shadow issues and self-defeating behaviors. Mystic Peter James Ford, 2023-10-19 “Mysticism in Newburyport” is a seven-book series revealing ancient secrets from masters of all cultures along with modern-day breakthroughs by scientists and quantum physicists of our times. These tales began flowing after Peter's powerful spiritual awakening in Newburyport, Massachusetts. Newburyport is a quaint little, historic seaport on the coast of Massachusetts heading toward New Hampshire. Peter had been sober in the 12-step recovery

program for many years and had recovered from his alcoholism. Peter's love of Nature had brought him to the Newburyport area. This area is rich with Nature's treasures, Native American Heritage, and many tales from the tall cargo ships of olden days. High Street was lined with homes of these Sea Captains. Peter's awakening had given him new eyes and new highly evolved senses. Peter was to have powerful past-life experiences with his Mystery Woman guide named Layne. Layne was a mystic who would tell people things about themselves that there was no way she could know. She would look you in the eyes and tell you your deepest secrets. She also knew about the Earth's electromagnetic grids and helped Peter understand what he was experiencing in Newburyport. Peter's new heightened senses could feel the electromagnet flow of energy and the convergence right below Market Square in Newburyport. Market Square was one of the crossroads for these powerful electromagnet energies that give life to our planet. Peter was to share the secrets that were revealed to him in his writings.
