*And Still Plays the Abyssinian Damsel on her Dulcimer* Alexander Raju,2015 *And Still Plays the Abyssinian Damsel on Her Dulcimer* is a novel based on Ethiopian history and legends. The story has thirteen chapters representing the thirteen months in the Ethiopian calendar. The narrator, a professor at an Ethiopian University, flies from Mumbai to Addis Ababa, and then to his destination. He is haunted by the Abyssinian damsel whom the English poet Samuel Taylor Coleridge saw in a dream

and described in his poem “Kubla Khan.” The Abyssinian damsel tells the story of Ethiopia from prehistoric to modern times, revealing herself as one who visited King Solomon together with the Queen of Sheba. The Rift Valley of Ethiopia, where three-million-year-old human fossils have been discovered, is considered the birthplace of Homo sapiens. A myriad of legends like the Serpent Kings and Queen Gudit intertwine with Ethiopia’s history. Reviewing the novel, Barbara Biehler wrote, “A fine writing style and tells a great story.”

**Biblical Literalism: A Gentile Heresy** John Shelby Spong, 2016-02-16 A global and pioneering leader of progressive Christianity and the bestselling author of *Why Christianity Must Change or Die* and *Eternal Life* explains why a literal reading of the Gospels is actually heretical, and how this mistaken notion only entered the church once Gentiles had pushed out all the Jewish followers of Jesus. A man who has consciously and deliberately walked the path of Christ, John Shelby Spong has lived his entire life inside the Christian Church. In this profound and considered work, he offers a radical new way to look at the gospels today as he shows just how deeply Jewish the Christian Gospels are and how much they reflect the Jewish scriptures, history, and patterns of worship. Pulling back the layers of a long-standing Gentile ignorance, he reveals how the church’s literal reading of the Bible is so far removed from these original Jewish authors’ intent that it is an act of heresy. Using the Gospel of Matthew as a guide, Spong explores the Bible’s literary and liturgical roots—its grounding in Jewish culture, symbols, icons, and storytelling tradition—to explain how the events of Jesus’ life, including the virgin birth, the miracles, the details of the passion story, and the resurrection and ascension, would have been understood by both the Jewish authors of the various gospels and by the Jewish audiences for which they were originally written. Spong makes clear that it was only after the church became fully Gentile that readers of the Gospels took these stories to be factual, distorting their original meaning. In *Biblical Literalism: A Gentile Heresy*, Spong illuminates the gospels as never before and provides a better blueprint for the future than where the church’s leaden and heretical reading of the story of Jesus has led us—one that allows the faithful to live inside the Christian story in the modern world.

Convinced? C. J. Rysen,Dan Manternach,2021-10-20 What is the complete essence of this book? The Cosmic Harmony of Science, Scripture, and Reason. Can it be indubitably proven that God absolutely exists? Can it really be shown how science actually confirms creation by God? Given that some say not even God can create something out of nothing, exactly how did God create everything in the universe? Just how can the Holy Bible be reliable and the divine Word of God when it is challenged with so much controversy? Can it be irrefutably verified that Jesus was for real, really rose from the dead, and is the Son of God? Did the Great Flood of Noah and his Ark really happen? How? Everybody wants to see proof. Atheists and skeptics often demand it. A total of twenty-one of the most often asked and difficult questions challenging Christianity are answered by coauthors C. J. Rysen, (author of the Christian apocalyptic thriller, a novel, In the Course of Three Hours ([www.inthecourseofthreehours.com](http://www.inthecourseofthreehours.com)))), and Dan Manternach, a public speaker and leader in the Christian Group, Ministry to Men ([www.ministrytomen.net](http://www.ministrytomen.net)). Both men have collaborated to provide irrefutable answers and explanations in a simple, easy-to-understand, straightforward way, providing new, unexpected, and intriguing perspectives to which you likely may have never given any thought. Many of these will be surprising and often startling to anyone--whether skeptic, agnostic, or atheist. The book is also intended to be a reference source for the layperson, as well as those with formal theological or philosophical education. Although this book is intended to address these questions for the benefit of the nonbeliever, it also is intended to prepare the believer to help answer such questions and solidify their faith. If one is intellectually honest with oneself, the explanations in this book should be overwhelmingly compelling and absolutely convincing. If they are not, one must ask the question, Why?
