What's Right with Preaching Today? Mike Graves,André Resner,2021-03-09 In 1928, when Riverside Church (NYC) pastor Harry Emerson Fosdick asked the question in Harpers Magazine, What's the Matter with Preaching Today? he did not know that one response to that question had just entered the world in Humboldt, Tennessee. Fred B. Craddock revolutionized preaching theory and practice by flipping pulpit logic from deductive to inductive--often called the preaching-as-storytelling revolution--and in so doing brought renewed interest and impact to the practice of preaching, effectively rescuing it from an often tedious and moralizing fate. With Fred, preaching was anything but boring. Rather, it was an exciting and enlightening ride that led to the renewal of faith. To honor Craddock's legacy, Mike Graves and Andre Resner invited ten leading voices in homiletics to identify something that is right about preaching today. In addition, they issued a call to a wide variety of people to contribute stories about Fred's impact on their lives and ministries. Twenty-seven remembrances of Fred are included here throughout the book. If you appreciate effective and engaging preaching--as either a preacher or listener--the essays and remembrances here will speak to you and provide encouragement about preaching's present and future. The Late Pandect Proffered Nicholas P. Snoek,2014-06-18 Most Christians are not aware that their faith has been favored with not just one work of Scripture, the Bible, but with two - a second one, The Urantia Book, was published in modern English in 1955, and it runs to 2,100 pages. It is what we here refer to as a pandect, meaning a comprehensive treatise of

scholarly probity and as such it is generally accepted in its entirety as coherent and valid. Since 1955 this tome sold about a million copies, in some fifteen countries, in twenty languages. And that in spite of its being quite heavy reading. It took about twenty years to go from composition to publication, and very few people, after spending some time with it, doubt its being authentic revelation. It is consistent, coherent, beyond scientific challenge; and its tone is impeccably religious. Our purpose in this book is to help people in general to understand and benefit from that one. May Jesus and his helpers be with you in our joint enterprise. N.P. Snoek
