## Wayne Stinnett

**All Ahead Full** Wayne Stinnett, 2021-12-06 Jesse McDermitt discovers an environmental nightmare of deception and greed taking place in Central America. A cartel is branching into smuggling things other than drugs. And they're doing it quite effectively. The Honduran rain forests and its inhabitants are at peril. The cartel needs hidden places to grow coca, used in the manufacture of cocaine. The exotic and endangered hardwood trees are cut and sold on the black market, along with any creature found dwelling deep in the humid jungle. Environmental activists in the area who try to intercede are swiftly dealt with in the manner the cartel deals with anyone who stands between them and the almighty dollar—with a sharp machete. Having so many moving parts and numerous smuggling routes, can Jesse and the crew of *Ambrosia*, on a dive vacation in the Bay Islands of Honduras, be able to make a difference? Or will the beautiful reef surrounding the island of Utila be *Ambrosia's* grave?

**Fallen Palm** Wayne Stinnett, 2019-02-17 Jesse McDermitt lives alone on an isolated island in the Florida Keys where he runs a charter fishing business. Retired from the Marine Corps for six years, he wants nothing more than to relax, fish, dive and enjoy the laid back lifestyle of the islands. Russ, his former Platoon Sergeant and old friend, dies unexpectedly in a mysterious scuba diving accident and Jesse becomes suspicious. When his friend's son comes to south Florida to ask Jesse if he would take him to a remote reef to spread his father's ashes, the two men discover that Russ was murdered and agree to hunt down the psychotic killer together, unaware that their manhunt will lead them to a Caribbean terrorist cell. Meanwhile, a beautiful woman has returned to the Keys on a manhunt of her own, distracting Jesse with the idea that he could finally leave his warrior past behind. The prospect of finding lost Confederate gold, several high speed boat chases, and dodging demented killers, won't stop Jesse from revenge. Surviving a powerful hurricane puts everything on hold as a top secret government agency tries to recruit him into their fold. When the sun comes back out, will Jesse be ready?

**Rising Thunder** Wayne Stinnett, 2020-04-20 Paradise isn't always what it's cracked up to be. Few people know this as well as Jesse McDermitt, retired Marine and former government operative. In the aftermath of an intense mission in coastal Mexico, Jesse wants nothing more than to get back to his boat; to just sail away and forget all about the firefight and his warrior past. The Caribbean sun is warm, the azure water inviting, he has the woman of his dreams at his side, and everything seems to be smooth sailing. Until a severed leg is found tangled in a line securing Jesse's dinghy to his 61-foot

sailing yacht, Salty Dog. The former owner of the appendage turns out to be the eighth victim of a lunatic who kills for money and a former Russian smuggler who won't pass up a chance for one more big score. Jesse is forced to don the warrior's mask once again. This time to catch a ghoulish killer who is stalking the villages and jungles outside Belize City.

*Steady As She Goes* Wayne Stinnett, 2021-08-16 Jesse McDermitt is starting a new chapter in his life. As captain of the research vessel Ambrosia, his stated mission is to study the oceans and seafloor, searching for rich oil deposits. His unstated mission is to locate and eradicate the enemies of society on behalf of Armstrong Research, a secretive organization funded by some of the wealthiest people on the planet. When word gets out about a massive drug and human trafficking cartel moving tons of illegal drugs, along with hundreds of slave laborers, out of Venezuela, Jesse is tasked with finding them at all cost. But how can one man find the traffickers amid the thousands of ships coming and going from Venezuela's ports, moving hundreds of thousands of containers every year? Can Jesse close on and engage the traffickers?

*Rising Storm* Wayne Stinnett, 2017-08-22 Miles from the laid-back lifestyle of No Name Key, and just shy of the raucous nightlife of Miami and South Beach, lies Coconut Grove, a tropical oasis with a distinct Bohemian flair. Lately, a seedy underside has emerged along the Grove's waterfront, preying on adventurous young women. Somewhere amid all the glitz and glamour, hides a thief who stole a fortune in Aztec emeralds. Or did he? Jesse McDermitt must first determine if the victim herself is a thief. The trail of clues leads him to evidence that the thief may be involved in a string of more heinous crimes. Jesse and Chyrel enlist the help of the recently returned Charity, and the trio go "undercover" at a floating swinger's party headed for the Bahamas, which may well be a front for torture and murder. When a sudden violent storm strikes Stiltsville, Jesse finds himself alone on the ocean, trying to recover the treasure and put a murderer behind bars—but first he must win the battle with Mother Nature.

*Rising Fury* Wayne Stinnett, 2017-12-26 In the backcountry of the Florida Keys, you can see and hear trouble coming for miles in any direction. If you're paying attention. Jesse McDermitt lives in the backcountry and very little happens near him that he's not aware of. During a quiet moment, he watches a slow-moving shrimp trawler as it serenely cruises by, far out on the Gulf, at the edge of the three-mile limit. The tranquility of the moment is shattered when the trawler is demolished in an enormous explosion. What caused the explosion and why was a woman from Jesse's past on board? To find the answers to those questions and more, Jesse and friends will work from Miami to Key West, then across the water to Fort Myers. When the bad guys hit too close to home, Jesse retaliates. Furiously.

**Rising Water** Wayne Stinnett, 2019-07-01 When a group of strangers purchase land on Tortola and Norman Island to set up a commune, the locals simply write them off as an odd sort—until one of their bloated bodies washes up on the shore of a nearby resort island. As luck would have it, Jesse McDermitt is visiting a friend on Norman Island after tracking a terrorist submarine from the Windward Islands. The sub was destroyed by locals on the Dutch island of Saba, so Jesse had nothing

much else to do. What he wasn't looking for, was a murderous cult at the center of a drug manufacturing and distribution ring. If a person didn't succumb to the rules of this cult, they might end up riding the chum sluice. If they do, they might meet Jesse.

**Fallen Pride** Wayne Stinnett, 2014-04-07 Jesse faces an antagonist unlike any other. A friend's son, who was dishonorably discharged from the Corps, is suffering from post-traumatic stress. With Jesse's help he learns to cope with his demons and gets his discharge overturned, so that he can once again serve the country he loves.--Jacket.

**Man Overboard** Wayne Stinnett, 2022-07-05 Jesse McDermitt has returned to the Florida Keys. But things in the islands are different now. The locals are worried, but nobody can explain why. A sense of foreboding hangs in the humid July air. One of the locals, an investment banker, is waiting tables at the Rusty Anchor Bar and Grill. He seems a shell of the man he used to be a hollow man whose fortune and wife are gone. He's tight-lipped about how he came to be a guest in Rufus's little shack behind the bar. Something very sinister is going on—Jesse smells it. He's usually very good at rooting out the source of a problem, but is stumped this time. Until another tight-lipped hollow man shows up.

**Rising Warrior** Wayne Stinnett, 2020-08-31 After returning home to the Florida Keys, Jesse moves on to Fort Myers, his hometown on the Southwest Florida coast. There is much work to be done and Jesse is no stranger to hard work. On a kayaking adventure with friends, Jesse's daughter finds and rescues a baby manatee suffering from respiratory problems. The red tide has returned and fish are dying by the thousands, along with dolphins, manatees, sea turtles, and sea birds. The algal bloom is a naturally occurring phenomenon, but this time it's much worse. Theories abound; it's something left over from the previous spring's coronavirus outbreak, it's caused by pollution, someone is intentionally creating a super-algae. But there's something far more sinister going on among the Ten Thousand Islands, and it's up to Jesse to find out where the bodies are buried.

**Fallen Out** Wayne Stinnett, 2019-02-07 When Jesse McDermitt leaves the Marine Corps, he has no idea what he will do for the rest of his life. He only knows he doesn't want to spend the coming winter anywhere cold. His greatest skill is killing people from up to a mile away and he knows there aren't many job opportunities in the civilian world for that. Jesse also knows his way around boats and has an old friend living free and easy in the Florida Keys. Being an experienced diver and angler, he immediately heads south toward Key West and the end of the road. With a single comment, a waitress in a waterfront restaurant in north Key Largo shakes loose a long dormant dream and Jesse runs with it. With the help of friends, new and old, he buys just the right boat to live on and soon starts a part time charter business. Everything is going smoothly, until a Carolina girl and a hurricane hit him at the same time. Danger lurks in the sleepy little town of Marathon, in the middle of the Florida Keys, as well as in the swamps of the Everglades. But danger doesn't expect to run into a man like Jesse. A man who will not only respond swiftly in facing it, but with a vengeance unexpected.

**Rising Charity** Wayne Stinnett, 2019-02-11 It'd been a long time; a lot of things had changed. Since sailing away from Cane Garden Bay, Jesse McDermitt had changed. Waking one morning, the smell of rum still on his breath, Jesse realizes he doesn't much like the change anymore. The mask which he'd freely put on didn't fit right. It was the mask of a drifting, womanizing, boat bum, and it concealed his inner turmoil. Peeling off the mask, he soon realizes what a mess he's in. Weeks of rigorous, open-ocean swims and increasingly deeper free dives, help put the strength back in his body. But physical strength wasn't what was lacking. It wasn't what had finally pulled him into a lifestyle that wasn't his. He'd lost focus on the important things in life, the need to be part of something better. In a secluded anchorage, far from civilization, Jesse powers up his satellite phone for the first time in weeks. There is a message from Charity Styles, asking him for a meeting. She has a line on something they both need, something to focus on. A mission. From award-winning story-teller, Wayne Stinnett, comes this 14th novel in his exciting Caribbean Adventure Series. Taking the reader from the deep-water canyons of Exuma Sound to the sport-fishing Mecca that is Bimini, Stinnett spins a fascinating tale of redemption and vengeance.

**Rising Moon** Wayne Stinnett, 2020-12-21 On Grassy Key, things aren't as idyllic as they seem. The quiet, sleepy community has been awakened. A young woman with strong ties to the community is missing. A local craftsman, the last person to see the girl, is questioned and released. The girl's friends are interviewed. Nobody knows what happened to Cobie, except that she left for work one day and didn't arrive. The only lead is the girl's car, parked where she worked. But it provides no clues and nobody saw anything. Days go by. Then weeks. The case grows cold. The employer of the girl's mother knows Jesse McDermitt, a retired Marine and reputed government spook. Jesse leans on people the way only he can and soon finds there is a lot more to the abduction than anyone knew. Does he find the missing girl? Does he survive what he uncovers? Find out in this 19th novel in Wayne Stinnett's wildly popular Jesse McDermitt Caribbean Adventure Series.

**Fallen Hero** Wayne Stinnett, 2016-12-03 A young treasure diving couple is sadistically murdered in the back country of the Florida Keys—and Jesse McDermitt's friend is the prime suspect. The reclusive federal agent and former combat Marine launches his own investigation in the face of overwhelming evidence. McDermitt is certain of his friend's innocence. When a third victim's body is discovered lodged among the mangrove roots on Knockemdown Key, the race to stop a serial killer begins. The beautiful Detective Devon Evans will do anything to apprehend the killer before he claims another victim. With shifting political winds, McDermitt and his friends must improvise and adapt to the ever-changing tide. There's more than meets the eye in this tenth novel in the Jesse McDermitt series!

*Fallen Hunter* Wayne Stinnett, 2013-12-16 Grieving over the loss of his wife to terrorists, Jesse's been holed up on his island home for months, numbing his mind and body with endless, mundane tasks--Jacket

*Rising Spirit* Wayne Stinnett, 2019-11-28 In the aftermath of Hurricane Irma, Jesse McDermitt has rebuilt his island in the Content Keys far better than it was before the storm. The task was enormous, but so was his need to make things better.

Unbeknownst to Jesse, an environmentally conscious woman from his past has stumbled onto a drug manufacturing cartel in Virginia while working on a pollution mitigation problem. The cartel responds by sending someone to murder people Jesse cares for. A contract killer stalks the woman all the way to Miami, leaving bodies in his wake. With the help of an old flame in the FBI, Jesse goes to the snow-covered Appalachians to get to the root of the trouble; an unscrupulous prosecutor and dirty sheriff, who are producing LSD on an unbelievable scale. Is Jesse out of his element this time? Can he protect the people he cares for most? It's a race against time and Mother Nature to find a killer stalking the quiet neighborhoods of Coconut Grove.

**Fallen Tide** Wayne Stinnett, 2015-11-08 Coral branches rarely wear a wristwatch. That was Jesse McDermitt's first thought when he found a partially denuded human arm, teeming with crab, lobster, and fish life, during his morning ocean swim. The discovery of a drifting mega-yacht the following day while fishing the Gulf Stream, causes quite a stir among the many alphabet agencies of the federal government, not to mention one shaggy canine. A severed leg and two whole bodies are discovered aboard. The find links the disappearance of the yacht's owners to the arm Jesse found twenty miles to the north, near his home in the back country of the Florida Keys. Black marketers from Eastern Europe have set up a base of operations too close to Jesse for comfort. The rescue of the yacht-owners takes on national security importance, but it's even more important to one of Jesse's closest friends. High speed boats and planes race across the Gulf Stream, causing the Cuban Air Force to become nervous. Will Jesse and his crew reach the victims in time?

**Swift and Silent** Wayne Stinnett, 2024-06-01 Things in the Middle Florida Keys aren't as idyllic as they seem. If one looks closely, there's a layer of dirt just below the surface. The butt-ugly kind of dirt that's hard to get off. Things move slowly in the Keys—locals call it island time—but there are some for whom it seems that time is at a standstill; whose clocks revolve only around the tides, fish migrations, and the rising and setting of the sun and moon. Jesse McDermitt remembers the Keys the way he'd first found them as a young man. He's lived on his little island in the Content Keys for a long time and he's learned to adapt to some of the change. But not all of it has been positive, and it seems the dirt has a way of finding Jesse, sticking to his feet like Everglades mud. Is it finally time to go away? To completely disappear? He has the means and there are places in the world where the dirt hasn't settled. Places he'd like to show his wife and family. A group of would-be yacht thieves attack the wrong boat, unleashing a series of events that will ensure their downfall. They come when most people are sleeping—under the cover of darkness. But nighttime and Jesse McDermitt are old and dear friends. Against his will, and along with his family and friends, Jesse is thrust back into the struggle between right and wrong one more time. And this time, it gets personal.

**Down Island** Wayne Stinnett, 2025-08 After being away from his home in the Florida Keys for nine months, Jesse McDermitt has returned to find his tiny island compound just north of Big Pine Key in disarray. Being away for so long has taken its toll. Not just on Jesse and his family, but also their island. The part-time caretaker Jesse hired has disappeared

without a trace, and many of the systems that made life easier on the island for Jesse and his family needed attention. After weeks of hard work, things are finally back in order, and Jesse receives a cryptic phone call from an associate in Key West, a yacht broker, asking him to come down island and have a look at something he's discovered. The part-time caretaker turns up dead in a hotel room in Miami and the body count begins to mount. So Jesse brings in the big guns, both figuratively and literally, as their island is under attack. But what Dean Murphy uncovered was just the tip of the iceberg. When Jesse and his cohorts become involved, it will take every bit of their accumulated experience, cunning, and warrior attitude to cut off the head of the snake and restore order to the rest of the Florida Keys.

**Fallen Honor** Wayne Stinnett, 2015-07-14 Key West's sultry summer heat isn't for the faint of heart. But Michal Grabowski is running from a Pittsburgh cocaine dealer intent on killing him in a slow and painful manner, and Key West is the end of the road. Retired Marine Jesse McDermitt enjoys the summer heat and quiet solitude of his tiny island home in the back country. When Jesse discovers that Michal's would-be killer is connected to recent murders in the Bahamas, he agrees to help the young man. Jesse doesn't like murderers, smelly crack monsters or drug dealers running amok in his territory. Particularly when one of them was responsible for the destruction of his charter boat. Between a running gun battle with a group of cow hunters stretching from Key West Bight to the Everglades, a shotgun-toting Key West tarot card reader, a retired Jamaican mystic, and a rising body count, there's little time for Jesse to just relax and watch the sun go down.
