George Gallup

Living Together Michael J. McManus, Mike McManus, Harriett McManus, Harriet McManus, 2008-03-04 The authors argue that the divorce rate is actually higher among couples who live together before marriage. They take a fundamental position that one can not practice permanence, and unless a marriage is established as permanent, a couple will not approach it the same way. The authors also suggest important principles that give couples the necessary tools for a successful marriage.
