No Peace Under Heaven - Swordsman's Resolve Satoshi Takagi,

Pink and Blue Elena Conis,Sandra Eder,Aimee Medeiros,2021-05-14 In modern pediatric practice, gender matters. From the pink-and-blue striped receiving blankets used to swaddle newborns, to the development of sex-specific nutrition plans based on societal expectations of the stature of children, a gendered culture permeates pediatrics and children's health throughout the twentieth and early twenty-first centuries. This book provides a look at how gender has served as one of the frameworks for pediatric care in the U.S. since the specialty's inception. Pink and Blue deploys gender—often in concert with class and race—as the central critical lens for understanding the function of pediatrics as a cultural and social project in modern U.S. history.

The Whiskey Journal: Definitely Not a NATO Role III MMU Publication C.W. Rastall, 2022-07-20 A stalled career leads one Navy Pharmacy Technician to volunteer to deploy to the Role III Hospital at Kandahar Airfield, Afghanistan. Leaving behind a pregnant wife, two young children, and a sick mother-in-law, C.W. Rastall documents his daily life during the 231 days he was away from home. The Whiskey Journal is a behind-the-scenes look at the reality of being deployed to the Navy's longest serving combat hospital during its last rotation. Follow along as the author deals with the constantly changing policies of the military because of the COVID-19 pandemic, navigating the new friendships and personalities of others in his rotation, his weight loss struggle, his attempts to stay connected to the people left behinds, and his search for purpose in his career. Interspersed with the journal entries, the author shares stories and postscripts that provide context and depth to his journey. From the goodbyes at the airport in Japan, to training in the middle of nowhere Texas, to finally landing in Kandahar, Afghanistan, follow C.W. Rastall's journey of personal growth. Snarky and irreverent at times, deeply introspective at others, The Whiskey Journal takes you through a long separation from the normal world and out the other side.

Being Better Than You've Ever Been Frank Fleming, 1983 Abstract: A collection of interviews illustrates how successful people have coped with basic human problems such as guilt, the need for a perfect world, making decisions, etc. The people interviewed range from Norman Vincent Peale to Abbie Hoffman. Each person describes the challenges imposed upon him by life. The author discusses each subject's actions and personality in terms of a fundamental wisdom which the reader can apply to his own life. These 13 chapters demonstrate that the people live in a way that reflects their beliefs and helps them deal openly with adversity. This self-help book, written for the layperson by a psychologist, discusses how to polish coping skills; each of the 13 interviewees is described as the master of a particular skill. For example, Muhammad Ali relates how he achieved self realization and Xaviera Hollander discusses in frank, earthy language how she deals with guilt. The format for each chapter includes a brief description of the fundamental problem, an interview with the great inspiring teachers, and suggestions for the reader to incorporate into his personal philosophy. Your Service Dog and You Nicola Ferguson, 2023-09-21 Service dogs play an important role in society, assisting their handlers in leading independent, fulfilling lives. These amazing dogs are trained to work with a wide range of disabilities, from visual impairments to PTSD, and come from a variety of breeds and backgrounds. Some service dogs are custom bred and trained by large charities, while others are rescue dogs of indeterminate breed, trained entirely by their owners. Disability knows no bounds and can strike anyone, at any time, leaving us alone, scared and confused, with many of us wondering how feasible it would be to integrate a service dog into our lives. This is a practical guide, written from the perspective of an ordinary dog owner turned service dog trainer, following her own need for a service dog. It covers everything from service dog breeding and selection, how to acquire a service dog, basic training, and public access work, to your dog's eventual retirement. Chapters also detail the day-to-day realities of living with and loving a service dog.

Ponder This Kim Knights, 2025-08-08 Kim Knights' debut collection of essays, *Ponder This - Year One*, invites readers to rediscover the pleasure of pondering-quietly, deeply, and meaningfully-in a world where the art of thoughtful conversation and reflection is fading. Knights' vitalizing and uplifting voice emerged from the conflict between the solitude of a pandemic and the cacophony of social media. Due to the influence of domineering social media narratives, conversations have become cursory, leaving little room for true human connection or understanding. *Ponder This* seeks to change that. Through musings guided by a spiritual thread, these narratives explore how our thoughts can change, evolve, and transform when we take the time to genuinely listen and consider the world around us. Spanning the initial year of Knights' honest pondering, this collection offers hopeful perspectives on everyday things in everyday ways, providing reflective exploration into one's inner self, beliefs, and connections to others. Whether grappling with profound questions or finding meaning in still moments, *Ponder This* is a guide to embracing an insightful spirit in a time when everything is worthy of contemplation. This book is

not just a collection of thoughts-it is an invitation to pause, to wonder, and to engage in the evanescent art of meaningful reflection.
