**Of Mice and Men** John Steinbeck, 2009-07-08 Celebrating its 75th anniversary, John Steinbeck's Of Mice and Men remains one of America's most widely read and beloved novels. Here is Steinbeck's dramatic adaptation of his novel-as-play, which received the New York Drama Critics' Circle Award for Best Play in 1937-1938 and has featured a number of actors who have played the iconic roles of George and Lennie on stage and film, including James Earl Jones, John Malkovich and Gary Sinise. From the Nobel Prize-winning author of The Grapes of Wrath and East of Eden, this classic story of an unlikely pair, two migrant workers in California during the Great Depression who grasp for their American Dream, profoundly

touches readers and audiences alike. George and his simple-minded friend Lenny dream, as drifters will, of a place to call their own—a couple of acres and a few pigs, chickens, and rabbits back in Hill Country where land is cheap. But after they come to work on a ranch in the fertile Salinas Valley of California, their hopes, like “the best laid schemes o’ mice an’ men,” begin to go awry. *Of Mice and Men* also represents an experiment in form, as Steinbeck described his work, “a kind of playable novel, written in novel form but so scened and set that it can be played as it stands.” A rarity in American letters, it achieved remarkable success as a novel, a Broadway play, and three acclaimed films.

*Of Mice and Men* John Steinbeck, 2002-01-08 A controversial tale of friendship and tragedy during the Great Depression, in a deluxe centennial edition Over seventy-five years since its first publication, Steinbeck’s tale of commitment, loneliness, hope, and loss remains one of America’s most widely read and taught novels. An unlikely pair, George and Lennie, two migrant workers in California during the Great Depression, grasp for their American Dream. They hustle work when they can, living a hand-to-mouth existence. For George and Lennie have a plan: to own an acre of land and a shack they can call their own. When they land jobs on a ranch in the Salinas Valley, the fulfillment of their dream seems to be within their grasp. But even George cannot guard Lennie from the provocations, nor predict the consequences of Lennie’s unswerving obedience to the things George taught him. *Of Mice and Men* represents an experiment in form, which Steinbeck described as “a kind of playable novel, written in a novel form but so scened and set that it can be played as it stands.” A rarity in American letters, it achieved remarkable success as a novel, a Broadway play, and three acclaimed films. This Centennial edition, specially designed to commemorate one hundred years of Steinbeck, features french flaps and deckle-edged pages. For more than sixty-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. **Summary: of Mice and Men by John Steinbeck - Includes Analysis** Nate Fitzgerald, 2018-04-29 *Of Mice and Men* is a novella written by author John Steinbeck. Published in 1937, it tells the story of George Milton and Lennie Small, two displaced migrant ranch workers, who move from place to place in California in search of new job opportunities during the Great Depression in the United States. Steinbeck based the novella on his own experiences working alongside migrant farm workers as a teenager in the 1910s (before the arrival of the Okies he would vividly describe in *The Grapes of Wrath*). The title is taken from Robert Burns’ poem *To a Mouse*. While it is a book taught in many schools, *Of Mice and Men* has been a frequent target of censors for vulgarity and what some consider offensive and racist language; consequently, it appears on the American Library Association’s list of the Most Challenged Books of 21st Century.

Of Mice and Men by John Steinbeck John Steinbeck,1869-03 Two migrant field workers in California on their plantation during the Great Depression-George Milton, an intelligent but uneducated man, and Lennie Small, a bulky, strong man but mentally disabled-are in Soledad on their way to another part of California. They hope to one day attain the dream of settling down on their own piece of land. Lennie's part of the dream is merely to tend and pet rabbits on the farm, as he loves touching soft animals, although he always accidentally kills them. This dream is one of Lennie's favorite stories, which George constantly retells. They had fled from Weed after Lennie grabbed a young woman's skirt and would not let go, leading to an accusation of rape. It soon becomes clear that the two are close and George is Lennie's protector, despite his antics. After being hired at a farm, the pair are confronted by Curley-the Boss's small, aggressive son with a Napoleon complex who dislikes larger men. Curley starts to target Lennie. Curley's flirtatious and provocative underaged wife, to whom Lennie is instantly attracted, poses a problem as well. In contrast, the pair also meets Candy, an elderly ranch handyman with one hand and a loyal dog, and Slim, an intelligent and gentle jerkline-skinner whose dog has recently had a litter of puppies. Slim gives a puppy to Lennie and Candy, whose loyal, accomplished sheep dog was put down by fellow ranch-hand Carlson. In spite of problems, their dream leaps towards reality when Candy offers to pitch in \$350 with George and Lennie so that they can buy a farm at the end of the month, in return for permission to live with them. The trio are ecstatic, but their joy is overshadowed when Curley attacks Lennie, who defends himself by easily crushing Curley's fist while urged on by George. Nevertheless, George feels more relaxed, to the extent that he even leaves Lennie behind on the ranch while he goes into town with the other ranch hands. Lennie wanders into the stable, and chats with Crooks, the bitter, yet educated stable buck, who is isolated from the other workers due to being black. Candy finds them and they discuss their plans for the farm with Crooks, who cannot resist asking them if he can hoe a garden patch on the farm albeit scorning its possibility. Curley's wife makes another appearance and flirts with the men, especially Lennie. However, her spiteful side is shown when she belittles them and threatens to have Crooks lynched. The next day, Lennie accidentally kills his puppy while stroking it. Curley's wife enters the barn and tries to speak to Lennie, admitting that she is lonely and how her dreams of becoming a movie star are crushed, revealing her personality. After finding out about Lennie's habit, she offers to let him stroke her hair, but panics and begins to scream when she feels his strength. Lennie becomes frightened, and unintentionally breaks her neck thereafter and runs away. When the other ranch hands find the corpse, they form into a lynch mob intent on killing him, then send for the police before beginning the search. George then quickly realizes that their dream is at an end and hurries to find Lennie,

hoping he will be at the meeting place they designated in case he got into trouble (the riverbank where they camped at the start of the book). George meets Lennie at their camping spot before they came to the ranch. The two sit together and George retells the beloved story of the dream, despite knowing it is something they will never share. Upon hearing the lynch mob near them, George shoots Lennie, knowing it to be a more merciful death than that at the hands of a mob. Curley, Slim, and Carlson arrive seconds after. Only Slim realizes what happened, and consolingly leads him away. Curley and Carlson look on, unable to comprehend the subdued mood of the two men.
