**The Promise of Beauty** Mimi Thi Nguyen, 2024-09-20 In *The Promise of Beauty*, Mimi Thi Nguyen explores the relationship between the concept of beauty and narratives of crisis and catastrophe. Nguyen conceptualizes beauty, which, she observes, we turn to in emergencies and times of destruction, as a tool to identify and bridge the discrepancy between the world as it is and what it ought to be. Drawing widely from aesthetic and critical theories, Nguyen outlines how beauty—or its lack—points to the conditions that must exist for it to flourish. She notes that an absence of beauty becomes both a political observation and a call to action to transform the conditions of the situation so as to replicate, preserve, or repair beauty. The promise of beauty can then engender a critique of social arrangements and political structures that would set the foundations for its possibility and presence. In this way, Nguyen highlights the role of beauty in inspiring action toward a more just world.

**A Companion to Multiethnic Literature of the United States** Gary Totten, 2023-12-27 Provides the most comprehensive collection of scholarship on the multiethnic literature of the United States *A Companion to the Multiethnic Literature of the United States* is the first in-depth reference work dedicated to the histories, genres, themes, cultural contexts, and new directions of American literature by authors of varied ethnic backgrounds. Engaging multiethnic literature as a distinct field of study, this unprecedented volume brings together a wide range of critical and theoretical approaches to offer analyses of African American, Latinx, Native American, Asian American, Jewish American, and Arab American literatures, among others. Chapters written by a diverse panel of leading contributors explore how multiethnic texts represent racial, ethnic, and other identities, center the lives and work of the marginalized and oppressed, facilitate empathy with the experiences of others, challenge racism, sexism, homophobia, and other hateful rhetoric, and much more. Informed by recent and leading-edge methodologies within the field, the *Companion* examines how theoretical approaches to multiethnic literature such as cultural studies, queer studies, ecocriticism, diaspora studies, and posthumanism inform literary scholarship, pedagogy, and curricula in the US and around the world. Explores the national, international, and transnational contexts of US ethnic literature Addresses how technology and digital access to archival materials are impacting the study, reception, and writing of multiethnic literature Discusses how recent developments in critical theory impact the reading and interpretation of multiethnic US literature Highlights significant themes and major critical trends in

genres including science fiction, drama and performance, literary nonfiction, and poetry Includes coverage of multiethnic film, history, and culture as well as newer art forms such as graphic narrative and hip-hop Considers various contexts in multiethnic literature such as politics and activism, immigration and migration, and gender and sexuality A Companion to the Multiethnic Literature of the United States is an invaluable resource for scholars, researchers, undergraduate and graduate students, and general readers studying all aspects of the subject
