Joseph Julius Bonkowski, Jr.

Quote Me the Book of All New Quotes Joseph Julius Bonkowski, Jr., 2009-07 Born 8-30-58 in Cleveland Ohio, graduated from Lincoln-West high school in 1977 (Honor Roll), and was on the chess and track team, and started working for the city of Cleveland water dept. in 1977 and retired in 2007. I write short stories, slogans, saying, philosophy, songs, and comedy, restore paintings and comic books, and I can invent almost anything technical. I jog and it seems like I don't age; do to mixing a Fountain of youth type concoction when I was 20 years old. My parents are Joseph and Dorothy Bonkowski. I wrote The secrets of mind reading revealed (Howell Press), and Casablanca 2 (Unpublished), the Theory of Relativity 2, which expands on Einstein's Theory of Relativity (Only 200 copies printed.) My future plans are to keep on writing, and start a career in comedy. I still have thousands of unpublished quotes and saying, and if this book sells well I will write a second book lord willing.

2030, the Coming Tumult Richard M. Mosey, 2009 The short-term benefits of unlimited growth are driving the American economic and social model right off a cliff. The author shows how corporations drown out scientists and global elites prosper during economic collapse. He explores the role of monotheistic religions in abetting population growth and downplaying human agency in the current unprecedented crisis and charts the effects of increasing poverty, population migration, and social tension.

Anger Management: Understanding. Healing. Freedom. John Crawford, 2016-06-21 Is anger making your life a misery? Are you living with regret? Being angry is a terrible burden to carry, but a calmer life IS possible! Learn how to identify, heal, and re-program the roots of anger with this no-nonsense guide to re-claiming your power...the peaceful way. Anger Management offers no-nonsense understanding which can be quickly put into practice, helping you to re-connect with your best self! Depressed or anxious people receive much sympathy, and rightly so, but anger sufferers, not so much. They should. Chronic anger is a stress-related difficulty too, and anger sufferers deserve compassion as much as anybody else. You didn't ask to be angry. You won't be judged here. There are solutions. Using fictional case studies from real world examples, Anger Management will explain why your subconscious programming may be making it impossible for you to "will" yourself calm.

You'll find practical, workable approaches here to understand and desensitise these triggers. You'll discover how to live more peacefully, enjoy better relationship security, be more patient with the world, and get more of what you need without the stress or regret of anger and rage. Don't wait until it's too late! Get your "yang" back in balance today with Anger Management - A professional guide for everyday folks from an experienced practicing therapist. You will learn:- Why the brain creates angry responses when we feel threatened, and what you can do to soothe it. How to recognise where your personal anger stems from, and how to heal it. Why anger can feel good and become an addiction. About your brain chemistry. The "science" of the anger response. Why controlling behaviour will drive those you love away, and how to invite them closer instead. How to "use" anger appropriately to have people help you instead of resent you! Why softness controls hardness, and how to implement that understanding in your life. The incredible power of words. How to ask for what you need, and why sorry is the most powerful word in the English language. Plus, much more. Also included in the book is a full professional Anger Management hypnosis session available for free download. This clear and insightful book could help you change your life. If you're angry, and you don't know why, then don't be without it. Buy this book today to learn how to rescue your relationships, get more of what you want, and feel prouder of who you are because life is too short for regrets!
