**The Alien General's Baby: A Sci-fi Alien Romance** Shea Malloy, The Alien General's Baby is a steamy sci-fi alien romance. It features a handsome, powerful alien general falling in love with and risking his life for his luscious human female and their unborn child. This book features these themes: science fiction alien romance, forbidden love between alien and human, enemies to lovers, pregnancy / baby, steamy love scenes, action and adventure, suspense. Jillian Landay is no queen of an alien planet like her younger sister, Megan, but she has a successful career as an interior designer. Love and relationships? Totally out of the question. She's not about to get burned again. So how the hell did she end up pregnant for an arrogant alien general? Jonnar Dorayan may be the sexiest alien warrior alive with his intense, blue-violet stare and a scorching touch that sets her body afire, but he's not her type. Yeah, he's the father of her unborn child. And yeah, he saved her life. Twice. But falling for him? Never gonna happen in this galaxy or the next! - There are two things Jonnar enjoys in life: fighting and... well, it involves a willing woman beneath him. Fatherhood was definitely not one of his life's goals. And if he had a choice, he certainly wouldn't have chosen a prickly, stubborn human female as the mother of his child. Jillian is nothing like what he's accustomed to, yet her irresistible curves and astounding strength captivate him. He can't fall in love

with her. He's no good for her and she's too good for him. But if he ever gets them out of their dangerous situation, he's not sure he'll want to let her go.

He promises to keep her body safe, but her heart is another matter. Arest knows nothing but blood and death. Yet, when he sees Stella, his only thought is to keep her from harm. Enemies lurk in every corner, and as they travel deeper into the bowels of the mountain, it becomes clear that they are both in danger from something worse than the simple creatures that attack from the shadows. The closer that Stella and Arest get to the heart of the mountain maze, the deadlier the threats grow. And with every step, their passion deepens, igniting in both of them an emotion neither thought possible. But Arest's hazy past is an ever-present threat, and even if they make it off the mountain there may be no way to stay together and stay safe from powerful enemies. Stella may be snowed in with an alien beast, but she soon finds that he is the monster that she wants at her side, and she'll do anything to keep him there. **From My Guy to Sci-fi** Helen Carr, 1989 La obra, surgida a raíz de unas conferencias impartidas en el instituto of contemporary arts de Londres en 1988, reúne estudios feministas sobre el debate de los géneros literarios, el modo en el que las escritoras los emplean y las cuestiones culturales más amplias que suscitan. Para la crítica feminista de finales de los 80, han sido cruciales para este debate las dos últimas décadas. Se investigan las posibilidades y problemas de la crítica feminista dirigida a los tiempos posmodernos y se examinan diferentes géneros, desde la novela hasta la autobiografía. También se tratan las relaciones políticas que las escritoras asiáticas y caribeñas tienen con tradiciones y formas que no expresan sus propias identidades políticas y artísticas.

Roget's International Thesaurus, 7th Edition Barbara Ann Kipfer,2010-08-03 A classic reference book that has been used by millions all over the world, Roget's International Thesaurus is the product of more than a century and a half of continual expansion, reorganization, and improvement. Today this book is not only the most time-tested and bestselling thesaurus ever, but, newly revised, it is also the most up-to-date and comprehensive reflection of the English language as it is currently used. The revolutionary achievement of Dr. Peter Mark Roget's first edition in 1852 was the development of a brand-new principle: the arrangement of words and phrases according to their meanings. Dr. Roget's system brings together in one place all the terms associated with a single thought or concept; it allows a wide-ranging survey of language within a book of relatively modest size, without the space-consuming repetitions that so severely limit the scope of thesauruses arranged in a dictionary format with A-to-Z entries. This brilliant organization makes Roget's International Thesaurus both the most efficient word finder and a cutting-edge aid in stimulating thought, organizing ideas, and writing and speaking more clearly and effectively. This revised and updated seventh edition features thousands of new words and phrases, including the newest slang words and expressions that color and inform everyday language. At the same time, it retains all the hallmarks that have made Roget's International Thesaurus the most popular word reference book next to the dictionary.
