Jeff Buckley's Grace Daphne A. Brooks, 2005-04-28 The power and influence of Grace increases with each passing year. Here, Daphne Brooks traces Jeff Buckley's fascinating musical development through the earliest stages of his career, up to the release of the album. With access to rare archival material, Brooks illustrates Buckley's passion for life and hunger for musical knowledge, and shows just why he was such a crucial figure in the American music scene of the 1990s. EXCERPT: Jeff Buckley was piecing together a contemporary popular music history for himself that was steeped in the magic of singing. He was busy hearing how Dylan channeled Billie Holiday in *Blonde On Blonde* and how Robert Plant was doing his best to sound like Janis Joplin on early Led Zeppelin recordings. He was thinking about doo-wop and opera and Elton John and working at developing a way to harness the power of the voice...In the process, he was re-defining punk and grunge attitude itself by rejecting the ambivalent sexual undercurrents of those movements, as well as Led Zeppelin's canonical cock rock kingdom that he'd grown up adoring. He was forging a one-man revolution set to the rhythms of New York City and beyond. And he was on the brink of recording his elegant battle in song for the world to hear.

My World in Motion Jo Whiley, 2009-08-28 Jo Whiley is someone millions of us recognise but very few of us know. Jo's a mother, sister, DJ, wife and music-industry insider who throughout her career - and in an age of fleeting celebrity - has earned the respect of her peers and fans by simply being herself and for her constant enthusiasm, be it for established rock 'n roll royalty or emerging talent. For Jo Whiley, it's all about the music. *My World in Motion* offers a unique opportunity to get to know the real Jo Whiley. From her musical epiphany (being carried over the crowd at a Clash concert) to when she became friends with John Peel at Glastonbury (over some very short shorts - his not hers) and interviewed Bono (surviving a power-cut on vodka). *My World in Motion* is an honest, funny, self-deprecating account of Jo's professional coming of age,

and what it means to be a private person in a very public world.

The song has also seen significant use in film and television soundtracks, as well as televised talent contests. It is often cited as one of the greatest songs of all time. Hallelujah, in its original version, is a song in 6/8 feel, which evokes the styles of both waltz and gospel music. Written in the key of C major, the chord progression follows the lyric it goes like this, the fourth, the fifth, the minor fall, and the major lift C, F, G, A minor, F. Cohen wrote around 80 draft verses for Hallelujah, including a writing session during a stay at the Royalton Hotel in New York where he was reduced to sitting on the floor in his underwear, banging his head on the floor. His original version, as recorded on his Various Positions album, contains several biblical references, most notably evoking the
