La La Land Hannah Lewis,2024 This book offers a new look at the development, style, and reception of the 2016 film musical La La Land. Drawing on extensive personal interviews with the film's creators, it explores La La Land's aesthetic approach to the film musical genre, its simultaneous engagement with and subversion of the classic Hollywood musical's stylistic and narrative expectations, the film's depiction of jazz, and the reception of the film.

Cinematic Faith William D. Romanowski,2019-05-21 This engaging book explores how Christians can most profitably and critically hear, read, and view popular culture through the lens of film. William Romanowski highlights the benefits of a faith-informed approach to cinema that centers on art and perspective and shows how Christian faith contributes to the moviegoing experience, leading to a deeper understanding of movies and life. The book draws examples from classic and contemporary American movies and includes illustrative film stills. Play the Way You Feel Kevin Whitehead,2020-04-01 Jazz stories have been entwined with cinema since the inception of jazz film genre in the 1920s, giving us origin tales and biopics, spectacles and low-budget quickies, comedies, musicals, and dramas, and stories of improvisers and composers at work. And the jazz film has seen a resurgence in recent years--from biopics like Miles Ahead and HBO's Bessie, to dramas Whiplash and La La Land. In Play the Way You Feel, author and jazz critic Kevin Whitehead offers a comprehensive guide to these films and other media from the perspective of the music itself. Spanning 93 years of film history, the book looks closely at movies, cartoons, and a few TV shows that tell jazz stories, from early talkies to modern times, with an eye to narrative conventions and common story points. Examining the ways historical films have painted a clear picture of the past or overtly distorted history, Play the Way You Feel serves up capsule discussions of sundry topics including Duke Ellington's social life at the Cotton Club, avant-garde musical practices in 1930s

vaudeville, and Martin Scorsese's improvisatory method on the set of New York, New York. Throughout the book, Whitehead brings the same analytical bent and concise, witty language listeners know from his jazz segments on NPR's Fresh Air with Terry Gross. He investigates well-known songs, traces the development of the stock jazz film ending, and offers fresh, often revisionist takes on works by such directors as Howard Hawks, John Cassavetes, Shirley Clarke, Francis Ford Coppola, Clint Eastwood, Spike Lee, Robert Altman, Woody Allen and Damien Chazelle. In all, *Play the Way You Feel* is a feast for film-genre fanatics and movie-watching jazz enthusiasts.
