*Seeds of Yesterday* V.C. Andrews, 2011-02-08 Now a major Lifetime movie event—Book Four of the Dollanganger series that began with *Flowers in the Attic*—the novel of forbidden love that captured the world’s imagination and earned V.C. Andrews a fiercely devoted fanbase. They escaped their mother’s hellish trap years ago, but a cruel history of lies and deceit has come full circle... The forbidden love that blossomed when Cathy and Christopher were held captive in Foxworth Hall is one the Dollanganger family’s darkest secrets. Now, with three grown children and even a new last name, the pair seem to have outlived a twisted legacy. But on their son Bart’s twenty-fifth birthday, when the spiteful and disturbed young man claims his rightful inheritance, the full, shattering truth of their tainted past will be revealed at Foxworth Hall—the place where the nightmare began, and where Christopher and Cathy were once just innocent flowers in the attic...

**Blackberry Hollow: A Taste of Yesterday** Sherry Pyle, 2024-04-02 In the quiet embrace of Blackberry Hollow, Daisy, once a familiar figure on the farm, now wanders the flowing fields within the corridors of her mind. This place, more than just a physical location, is a state of being—a sanctuary where time weathers the earth, and fragrant ripe berries from the orchard grove leave their sweet stains upon her hands. The old barn, with its timeworn planks, has sheltered not only hay but also Daisy’s childhood dreams. It became her blueprint for becoming the keeper of all that was. This land holds heirlooms and legacies, woven into its very soil. Daisy knows that her role transcends mere caretaking; it is a sacred duty to breathe life into the past, to honor those who tilled the soil and created meals that sustained her family for generations. Daisy stands as a keeper of wisdom, passed down from the grandmas who came before her—one recipe at a time. In the pages of *Blackberry Hollow: Taste of Yesterday*, we delve into the flavors and stories that nourished both body and soul. From sun-ripened blackberries to hearty farmhouse meals, this book celebrates the foods that kept them fed, connecting generations through the simple act of breaking bread. Join us on this culinary journey, where each dish carries a memory, and every bite whispers of love, resilience, and the enduring spirit of Blackberry Hollow.

**Champions of Circumstance** Patrick Stigfeldt, 2022-02-28 Let me ask you this question: what does an exiled king, a thief with morals, a young sorcerer off on his own, a high elven wizard with secrets, an unlucky sell-sword, a somewhat

clueless child, a man with gambling issues and a sewer needing cleaning have in common? The answer is: not a whole lot. But when the king is a three-meter-tall polar bear man, the thief one of the capital's most wanted, the sorcerer unlucky, the wizard too prideful, the sell-sword cursed with the body of a snailman, the child eons old and made from rock, the gambler a blessed priest and the sewers filled with monsters, then things start getting interesting. Now five hundred years after the defeat of Molthos the Enslaver, demon emperor and thousand years tyrant of the Almira continent, civilisation has flourished, and the annual Purge Festival is just around the corner in the human capital, Kivar. Follow a group of less-than-compatible people as their chanced meeting and later enforced companionship get them caught in a deadly popularity contest in which they are forced to participate under the threat of prison. Follow our...not heroes...but champions brought together by circumstance as they battle slavers, ooze, giant insects, blood mages, living plants, nightmarish terrors and more. Follow along in this book the opening act of an epic tale, depicting the story of those who go from strangers to comrades, to friends and to champions.

God, The Same Yesterday Today and Forever Steven B. Riddley, 2011-03-11 God The Same Yesterday Today and Forever"

From the beginning of time after the fall of Adam, man has not understood his purpose in life on Earth. The unknown mysteries of life have put man on a pursuit to find answers that are already before him. This is where not knowing his creator who has all the answers. It's the enemy of our soul that has kept us from ever knowing the age old question? What is truth? The universal mysteries have put man on a pursuit of the infinity to his own short life span and dies never to find the answer. Have you the reader, ever looked at the wonders that are in this world and asked the question, where did it all get its origin? Is there some one out there greater than I? I have found that there are people born with no knowledge of a higher intelligence than themselves. We call them atheist. Well, this book is about to introduce you to the reality of there is a God and at some point in the time of your life here or in the hereafter you will meet him. The fear of the unknown has caused us all without the knowledge of truth to create an inner world that exists in our thoughts that leads us to live a life of willing ignorance. This reality block in our minds creates a false sense of security that is based in the material things of this world that can not talk, speak or hear. These are the idols we in a western world that have become the cymbals of achievements that we value as a reason for living. Have you ever thought where these gifts to create these natural phenomena came from? Well, for seven years the God I serve has given me the answers to many of these questions about man, the cosmos and planet Earth., all of which he created. I am sure that when you read this book, the obvious signs will convince you of these realities, we all have been a willing participants in the ignorance that have led up to our present state in the world. Mark 8:36 (KJV) 36 For what shall it profit a man, if he shall gain the whole world, and lose his own soul?
