Pillbillies K. L. Randis, 2014-05-28 #1 BESTSELLING AUTHOR of 'Spilled Milk' When paramedics discover three-year-old Lacey floating in the bathtub and Jared Vorcelli barely conscious in his parents' living room, his drug addiction is put into the limelight and his pill-pushing days as a Kingpin of the Pocono Mountains come to a screeching halt. A chance meeting with a man named Dex opens a can of worms only Jared can close, as following a trail of red-speckled pills and green-tinted heroin become the only way to avenge his sister's death.

Summary of Spilled Milk SellWave Audio,2025-10-13 *Spilled Milk* is a haunting and courageous story about survival, truth, and resilience. It follows Brooke, a young girl forced to endure years of cruelty at the hands of her father while being silenced by those who should have protected her. Social services, instead of offering refuge, repeatedly fail her by prioritizing the illusion of a stable home over her safety. For years, Brooke carries the unbearable weight of silence, keeping her father's secret out of fear and isolation. The turning point comes in the most ordinary of moments—a glass of spilled milk at the dinner table—that shatters her silence and propels her toward seeking help. What follows is an uphill battle against a flawed and often indifferent court system that seems determined to return her abuser to the very place he should never have been: her home. Through heartbreak, betrayal, and immense personal struggle, Brooke's story reveals the devastating impact of systemic failures but also the strength of a young girl who refuses to be broken. More than a novel, *Spilled Milk* is a testament to the power of speaking out, the cost of truth, and the resilience of a spirit that dares to fight for safety and justice against overwhelming odds.

Three Gray Dots K. L. Randis,2021-12-08 The second time I witnessed Jackson try and kill himself, he was standing in the surf on the ocean's edge with a .22 in his right hand.It was September, and I squinted down the coastline, hoping to see someone, anyone, witness what was about to happen.But there was no one.No one would ever know what caused the jagged, broken pieces of Jackson to collide into my world.No one would know the whole story, the true story. Not unless I kept him alive.I had to keep him alive. If he was going to die right then and there, he deserved to know who I really was, not just who I was pretending to be. I closed my eyes, not knowing if what I was about to say was going to help or hurt the situation. Jackson, I've been lying to you this whole time.Due to graphic scenes and mature content, this book is recommended for readers 18+.

I Have Been Sexually Abused. Now What? Jennifer Culp,2014-12-15 Sexual abuse of children and teens is shockingly common, not to mention under-reported and under-prosecuted. Fortunately, research and education are helping to change that. The trauma of sexual abuse may lead to further long-term symptoms such as anxiety, depression, PTSD, eating disorders, and substance abuse. It is known to increase suicidal thoughts and self-harming behaviors. Seeking help from professionals—even years after the abuse occurs—can alleviate feelings of guilt and shame, shifting the identity of those who have been abused from victim to survivor. This useful and sensitive book debunks popular myths surrounding sexual abuse and provides resources where survivors and loved ones can turn for help. Readers will learn how to identify and confront sexual abuse; its long-term effects; and how to move forward in the aftermath.
