The novel begins with the stories of two African half-sisters of the Fante and Asante tribes: Effia and Esi. Effia is born in the late eighteenth century in Fanteland on Africa's Gold Coast, on the night of a devastating fire near her father's compound. Her adoptive mother, Baaba, immediately resents her, because Effia is the daughter of her father Cobbe's house girl. In 1775, when Effia is young, British soldiers from the Cape Coast Castle come to the village. Effia wants to marry Abeeku Badu, who is in line to be chief. But to prevent Effia from marrying him, Baaba tells Effia that she must hide the blood from her first period. She knows that as long as people think Effia is premenstrual, she won't be permitted to marry a Fante man, per tribal customs... Homegoing Yaa Gyasi,2017-05-02 A PENGUIN BOOK CLUB PICK *Homegoing* is an inspiration. —Ta-Nehisi Coates An unforgettable New York Times bestseller of exceptional scope and sweeping vision that traces the descendants of two sisters

across three hundred years in Ghana and America. A riveting kaleidoscopic debut novel and the beginning of a major career: Yaa Gyasi's *Homegoing* is a novel about race, history, ancestry, love and time, charting the course of two sisters torn apart in 18th century Africa through to the present day. Two half sisters, Effia and Esi, unknown to each other, are born into two different tribal villages in 18th century Ghana. Effia will be married off to an English colonist, and will live in comfort in the sprawling, palatial rooms of Cape Coast Castle, raising half-caste children who will be sent abroad to be educated in England before returning to the Gold Coast to serve as administrators of the Empire. Her sister, Esi, will be imprisoned beneath Effia in the Castle's women's dungeon, before being shipped off on a boat bound for America, where she will be sold into slavery. Stretching from the tribal wars of Ghana to slavery and Civil War in America, from the coal mines in the north to the Great Migration to the streets of 20th century Harlem, Yaa Gyasi has written a modern masterpiece, a novel that moves through histories and geographies and—with outstanding economy and force—captures the intricacies of the troubled yet hopeful human spirit.

No Home, 2017-01-04 Un voyage époustouflant dans trois siècles d'histoire du peuple africain. Maama, esclave Ashanti, s'enfuit de la maison de ses maîtres Fantis durant un incendie, laissant derrière elle son bébé, Effia. Plus tard, elle épouse un Ashanti, et donne naissance à une autre fille, Esi. Ainsi commence l'histoire de ces deux demi-soeurs, Effia et Esi, nées dans deux villages du Ghana à l'époque du commerce triangulaire au XVIIIe siècle. Effia épouse un Anglais et mène une existence confortable dans le fort de Cape Coast, sans savoir que Esi, qu'elle n'a jamais connue, est emprisonnée dans les cachots du fort, vendue avec des centaines d'autres victimes d'un commerce d'esclaves florissant avant d'être expédiée en Amérique où

ses enfants et petits-enfants seront eux aussi esclaves. Grâce à un collier transmis de génération en génération, l'histoire se tisse d'un chapitre à l'autre : un fil suit les descendants d'Effia au Ghana à travers les siècles, l'autre suit Esi et ses enfants en Amérique. En Afrique comme en Amérique, No Home saisit et traduit, avec une étonnante immédiateté, combien la mémoire de la captivité est restée inscrite dans l'âme d'une nation. Navigant avec talent entre histoire et fiction, nuit et lumière, avec une plume qui varie d'un continent à l'autre, d'une société à une autre, d'une génération à la suivante, Yaa Gyasi écrit le destin de l'individu pris dans les mouvements destructeurs du temps, offrant une galerie de personnages aux fortes personnalités dont les vies ont été façonnées par la loi du destin.

Summary of the Kitchen House E. Z. - Summary, 2017-01-24 The Kitchen House: A Complete Summary! The Kitchen House is the first book written by Kathleen Grissom. It is the coming-of-age story of Lavinia, a young woman who lives at Tall Oaks, a tobacco plantation in Virginia. It is a historical novel mostly presented in first-person from Lavinia's point of view, although some chapters are narrated by other characters. The setting is a tobacco plantation prior to The Civil War in the United States. Considering the historical aspect of Kitchen House, one of the best things about the book is how clearly the author describes life on a plantation and the events that happened there (both pleasant and, unfortunately, often unpleasant). If you want to learn about life in the 1700s and how slaves lived on a Virginia tobacco plantation, narrated by realistic voices of people who lived there, then Kitchen House is the book for you. The book does contain many explicit scenes of violence and scenes of a sexual nature, which are not for everyone's stomach. While learning about history is important for everyone, this story might not be the best choice for people who have an aversion to more explicit explanations, but for everyone who wants to know the kind of life the people really lived, this is a great book Here Is A Preview Of What You Will Get: - A summarized version of the book. - You will find the book analyzed to further strengthen your knowledge. - Fun multiple choice quizzes, along with answers to help you learn about the book.
