**Jessica J Manson**

*One Italian Summer* Rebecca Serle, 2022-03-01 INSTANT NEW YORK TIMES BESTSELLER In this “magical trip worth taking” (Associated Press), the New York Times bestselling author of *In Five Years* returns with a powerful novel about the transformational love between mothers and daughters set on the breathtaking Amalfi Coast. When Katy’s mother dies, she is left reeling. Carol wasn’t just Katy’s mom, but her best friend and first phone call. She had all the answers and now, when Katy needs her the most, she is gone. To make matters worse, their planned mother-daughter trip of a lifetime looms: to Positano, the magical town where Carol spent the summer right before she met Katy’s father. Katy has been waiting years for Carol to take her, and now she is faced with embarking on the adventure alone. But as soon as she steps foot on the Amalfi Coast, Katy begins to feel her mother’s spirit. Buoyed by the stunning waters, beautiful cliffsides, delightful residents, and, of course, delectable food, Katy feels herself coming back to life. And then Carol appears—in the flesh, healthy, sun-tanned, and thirty years old. Katy doesn’t understand what is happening, or how—all she can focus on is that she has somehow, impossibly, gotten her mother back. Over the course of one Italian summer, Katy gets to know Carol, not as her mother, but as the young woman before her. She is not exactly who Katy imagined she might be, however, and soon Katy must reconcile the mother who knew everything with the young woman who does not yet have a clue. “Rebecca Serle is known for her powerful stories that tug at the heartstrings—and her latest is just as unforgettable” (Woman’s World) as it effortlessly shows us how to move on after loss, and how the people we love never truly leave us.

**One Italian Summer** Rebecca Serle, 2023-03-07 A moving and unforgettable exploration of the powerful bond between mother and daughter set on the breathtaking Amalfi Coast ... When Katy's mother dies, she is left reeling. Carol wasn't just Katy's mom, but her best friend and first phone call. To make matters worse, the mother-daughter trip of a lifetime looms: two weeks in Positano. Katy has been waiting years for Carol to take her, and now she is faced with embarking on the adventure alone. But as soon as she steps foot on the beautiful Amalfi Coast, Katy begins to feel her mother's spirit. And then Carol appears for real--in the flesh, healthy and sun-tanned ... and thirty years old. Katy doesn't understand what is happening, or how. But over the course of her time in Italy, Katy gets to know Carol in this new form, and soon she must reconcile the mother who knew everything with the young woman who does not yet have a clue. *One Italian Summer* is Rebecca Serle's next great love story, a transcendent novel about how we move on after loss, and how the people we love

never truly leave us--

Expiration Dates Rebecca Serle, 2025-02-04 Daphne Bell believes the universe has a plan in store for her. Ever since she was young, whenever she met a new guy, Daphne would find a slip of paper with exactly how long they'd spend together--4 months, two weeks, one night. That's how she met her ex-boyfriend and current best friend, Hugo, the only person in Daphne's life who knows of her secret. Followed by a string of men and countless dates, Daphne resigned herself to the fact that she was never meant to find the one, to be in love, until one night when she receives a paper on her way to a blind date, except this time, the paper is blank. Jake is everything you want in a guy--kind, hard-working, and perfectly handsome. But as they get to know each other and their relationship becomes increasingly more serious, Daphne wonders if this is the right path for her, and worries about the secrets she's hiding from Jake. When part of Daphne's past becomes a part of her present, she is forced to confront everything she's been hiding from the those she loves most and must make a pivotal decision to choose whether to live her life according to others, or herself. This story is about being single and searching for love, but it's also a story about destiny and what people mean to us.--
