The Appeal Janice Hallett, 2022-01-25 INTERNATIONAL BESTSELLER Named a Best Book of 2022 by The New York Times, Air Mail, and more! “[W]itty, original...a delight.” —The New York Times Perfect for fans of Ruth Ware and Lisa Jewell, this international bestseller and “dazzlingly clever” (The Sunday Times, London) murder mystery follows a community rallying around a sick child—but when escalating lies lead to a dead body, everyone is a suspect. The Fairway Players, a local theatre group, is in the midst of rehearsals when tragedy strikes the family of director Martin Hayward and his wife Helen, the play’s star. Their young granddaughter has been diagnosed with a rare form of cancer, and with an experimental treatment costing a tremendous sum, their castmates rally to raise the money to give her a chance at survival. But not everybody is convinced of the experimental treatment’s efficacy—nor of the good intentions of those involved. As tension grows within the community, things come to a shocking head at the explosive dress rehearsal. The next day, a dead body is found, and soon, an arrest is made. In the run-up to the trial, two young lawyers sift through the material—emails, messages, letters—with a growing suspicion that the killer may be hiding in plain sight. The evidence is all there, between the lines, waiting to be uncovered. A wholly modern and gripping take on the epistolary novel, *The Appeal* is a “daring...clever, and funny” (The Times, London) debut for fans of Richard Osman and Lucy Foley.

The Christmas Appeal Janice Hallett, 2023-10-24 When a dead body interrupts the rehearsals for their holiday production of *Jack and the Beanstalk*, Fairway Players Femi and Charlotte page through letters, emails and police transcripts to identify both the victim and killer before its curtains for their production-permanently.

The Silent Appeal Janice Hallett, 2026-09-03 * THE HUGELY ANTICIPATED SEQUEL TO THE SMASH-HIT BESTSELLER, *THE APPEAL* * A New Play. Another Murder. Who Will Speak the Truth? It's a new theatrical season in Lower Lockwood, and the amateur thespians of the Fairway Players are starting rehearsals for their production of Agatha Christie's *The Hollow*. Despite divisive new arrivals, countless petty jealousies and a near-fatal accident with the lighting rig, surely this will be their greatest show to date? But someone isn't going to make it to opening night. Could it be producer Sarah-Jane's mysterious sister, lately arrived home after twenty years abroad? New member Lucas, whose shady business dealings may be

his downfall? Or perhaps once-convicted murderer Issy Beck, recently acquitted but still up to her old tricks? Lawyers Charlotte and Femi must sift through the emails, texts and police reports to identify the victim and find out why the person convicted of the murder refuses to speak out in their own defence... Will they uncover the truth in time? Will you?

Thicker Than Water Megan Collins, 2024-03-26 Two sisters-in-law find themselves at painful odds when the man who connects them—the brother of one, the husband of the other—is accused of a brutal crime in this twisty thriller from the author of the exceedingly entertaining (The New York Times) *The Family Plot*. Julia and Sienna Larkin are sisters-in-law, connected by Julia's husband and Sienna's brother, Jason. More than that, the two have been devoted best friends since Jason introduced them. To Sienna, Jason can do no wrong, and although Julia knows he's not perfect, they've built a comfortable life and family together. Recently, Jason has been putting in long hours to secure a promotion at work, so when his boss is found brutally murdered—his lips sewn shut—the Larkins are shocked and unsettled, especially as local gossip swirls. A few days later, Julia and Sienna's lives are upended when Jason gets into a car accident and is placed in a medically induced coma. Worse, the police arrive with news that he's the prime suspect in the murder investigation. With Jason unable to respond—and with Julia and Sienna working to clear his name—the two women find their friendship threatened for the first time: Sienna staunchly maintains her brother's innocence, but as their investigation uncovers a complicated web of secrets, Julia is less sure she's willing to defend her husband. With her signature moody and atmospheric (USA TODAY) writing, Megan Collins has crafted a suspenseful story that explores just how fragile our closest bonds can be—

Final Acts Martin Edwards, 2023-10-10 ... and what a motive! Murder to save one's artistic soul... who'd believe that? Behind the stage lights and word-perfect soliloquies, sinister secrets are lurking in the wings. The mysteries in this collection reveal the dark side to theatre and performing arts: a world of backstage dealings, where unscrupulous actors risk everything to land a starring role, costumed figures lead to mistaken identities, and on-stage deaths begin to look a little too convincing. . . This expertly curated thespian anthology features fourteen stories from giants of the classic crime genre such as Dorothy L. Sayers, Julian Symons and Ngaio Marsh, as well as firm favourites from the British Library Crime Classics series: Anthony Wynne, Christianna Brand, Bernard J. Farmer and many more. Mysteries abound when a player's fate hangs on a single performance, and opening night may very well be their last.

Dead Tired Kat Ailes, 2024-06-04 The second in a charming and hilarious mystery series by Kat Ailes, Dead Tired follows a group of new moms who didn’t think their maternity leave would involve so much murder. Full of charming characters, including Alice’s goofy dog, this fast-paced, original cozy is great fun.—Publishers Weekly Being a new mom is murder. Alice didn’t think her maternity leave would involve so much, well, murder. Before becoming proud new moms, she and her friends bonded more than members of a prenatal group usually would, as they became accidental amateur sleuths and solved a crime together. Now, with all this behind them and Alice’s son Jack somehow already a year old, Alice is keen to finally catch up on some sleep. So when an opportunity presents itself in the unlikely form of an eco-protest, Alice and her friends willingly chain themselves to trees and settle in as an excuse to get some overdue rest. Not the most comfortable arrangement ever, but at this point, they’ll take what they can get. However, the next morning one of their fellow protesters is found strangled, and any hope of a peaceful interlude is suddenly swept away. Soon Alice and her friends become entangled in a plot involving rogue artists, an enigmatic local entrepreneur, and nude (optional) protesting, offering an unexpected—but not necessarily unwelcome—break from changing diapers and wrestling baby toys away from Helen the dog. Alice, whose success rate in solving countryside murder is at an all-time high (one out of one), cannot resist the chance to demonstrate her detective skills once more, and assembles her gang of new moms to investigate this latest mystery in their not-so-sleepy English countryside village.

The Twyford Code Janice Hallett, 2023-01-24 The mysterious connection between a teacher's disappearance and an unsolved code in a children's book is explored in this new novel from the "modern Agatha Christie" (The Sunday Times, London) and author of The Appeal. Forty years ago, Steven "Smithy" Smith found a copy of a famous children's book by disgraced author Edith Twyford, its margins full of strange markings and annotations. When he showed it to his remedial English teacher Miss Iles, she believed that it was part of a secret code that ran through all of Twyford's novels. And when she later disappeared on a class field trip, Smithy becomes convinced that she had been right. Now, out of prison after a long stretch, Smithy decides to investigate the mystery that has haunted him for decades. In a series of voice recordings on an old iPhone, Smithy alternates between visiting the people of his childhood and looking back on the events that later landed him in prison. But it soon becomes clear that Edith Twyford wasn't just a writer of forgotten children's stories. The Twyford Code holds a great secret, and Smithy may just have the key. "Filled with numerous clues, acrostics, and red herrings, this thrilling scavenger hunt for the truth is delightfully deceptive and thoroughly immersive" (Publishers Weekly, starred review).
