Tobias Bleicker

The Flight of Dragons Peter Dickinson, 1979 Dragons aren't real ... or are they? This carefully constructed and beautifully illustrated case for the existence of dragons will convince even the skeptics.

The Flight of Dragons Vivian French, 2011-07-12 How long does a dragon's egg take to hatch? Find out as this hilariously macabre series continues. (Age 8 and up) In this deadly funny fourth Tale from the Five Kingdoms, it's Gracie Gillypot's birthday, and Prince Marcus plans to show her a flight of dragons as a special gift. But when greedy, chocolate-hungry twins awaken the banished Old Malignant One, evil magic and Total Oblivion threaten the Five Kingdoms. Gracie must find a powerful, long-forgotten dragon's egg before the Old Malignant One does in order to save the day. With the help of a wayward troll, two chatty bats, and the ancient crones, can Gracie foil his rotten plans? And can she overcome a spoiled princess, a malicious crow, and loads of chocolate cake to do so?

The Literary Filmography Leonard Mustazza, 2006-05-17 From the very infancy of the film industry, filmmakers have relied heavily upon literature as the foundation for their movie material. Well-known literary works such as Dickens's A Christmas Carol and Hawthorne's The Scarlet Letter were adapted to film in the silent era, as were such books as Thomas Dixon's Jr.'s The Klansman, basis for the film Birth of a Nation. In recent years, Nick Hornsby's About a Boy and each of Helen Fielding's Bridget Jones's Diary novels were the basis for popular movies bearing the same names. A guide to English-language works that have been adapted as theatrical and television films, this volume includes books (both fiction and non-fiction), short stories, newspaper and magazine articles and poems. Entries are arranged alphabetically by literary title with cross-listings for films made under different titles. Each entry includes the original work's title, author, year of first publication, literary prizes, and a brief plot summary. Information on film adaptation(s) of the work, including adaptation titles, director, screenwriter, principal cast and the names of the characters they portray, major awards, and availability in

the most common formats (DVD, VHS), is also offered.

Flight of the Last Dragon Robert Burleigh,2012-10-11 What if there was but one dragon left in the world? What if dragons were more than just imaginary creatures? What if long ago they soared through our skies? And what if there was only one dragon left? Where might it hide from our machines, from our technology, from us? And where would it go if it spread its wings for one last flight? New York Times bestselling writer Robert Burleigh and Harry Potter artist Mary GrandPre answer these questions by taking us on one last great journey into the starry night. Read this book with a child and wait for the inevitable moment when he looks to the sky . . . and wonders.
