**John Francis Campbell**

Jade War Fonda Lee, 2019-07-23 The Kaul siblings' battle with rival clans reaches new heights in the heart-pounding continuation of the Green Bone Saga, an epic trilogy about family, honor, and those who live and die by the ancient laws of blood and jade. On the island of Kekon, the Kaul family is locked in a violent feud for control of the capital city and the supply of magical jade that endows trained Green Bone warriors with supernatural powers they alone have possessed for hundreds of years. Beyond Kekon's borders, war is brewing. Powerful foreign governments and mercenary criminal kingpins alike turn their eyes on the island nation. Jade, Kekon's most prized resource, could make them rich - or give them the edge they'd need to topple their rivals. Faced with threats on all sides, the Kaul family is forced to form new and dangerous alliances, confront enemies in the darkest streets and the tallest office towers, and put honor aside in order to do whatever it takes to ensure their own survival—and that of all the Green Bones of Kekon. Praise for the Green Bone Saga: A beautifully realized setting, a great cast of characters, and dramatic action scenes. What a fun, gripping read! —Ann Leckie, Hugo, Nebula, and Arthur C. Clarke Award-winning author Lee has upped her game in this novel, with deeper, more nail-biting intrigue and stunning, heart-pumping action scenes. Her character development is pitch-perfect.—Booklist An instantly absorbing tale of blood, honor, family, and magic, spiced with unexpectedly tender character beats. —NPR The Green Bone Saga Jade City Jade War Jade Legacy

Jade City Fonda Lee, 2017-11-07 In this World Fantasy Award-winning novel of magic and kungfu, four siblings battle rival clans for honor and power in an Asia-inspired fantasy metropolis. \*Named one of TIME's Top 100 Fantasy Books Of All Time \* World Fantasy Award for Best Novel, winner Jade is the lifeblood of the island of Kekon. It has been mined, traded, stolen, and killed for -- and for centuries, honorable Green Bone warriors like the Kaul family have used it to enhance their magical abilities and defend the island from foreign invasion. Now, the war is over and a new generation of Kauls vies for control of Kekon's bustling capital city. They care about nothing but protecting their own, cornering the jade market, and defending the districts under their protection. Ancient tradition has little place in this rapidly changing nation. When a powerful new drug emerges that lets anyone -- even foreigners -- wield jade, the simmering tension between the Kauls and the rival Ayt family erupts into open violence. The outcome of this clan war will determine the fate of all Green Bones -- and of Kekon itself. Praise for Jade City: An epic drama reminiscent of the best classic Hong Kong gangster films but set in a

fantasy metropolis so gritty and well-imagined that you'll forget you're reading a book. --Ken Liu, Hugo, Nebula, and World Fantasy Award-winning author A beautifully realized setting, a great cast of characters, and dramatic action scenes. What a fun, gripping read! --Ann Leckie, Hugo, Nebula, and Arthur C. Clarke Award-winning author An instantly absorbing tale of blood, honor, family and magic, spiced with unexpectedly tender character beats. --NPR The Green Bone Saga Jade City Jade War Jade Legacy

*Jade Legacy* Fonda Lee, 2021-11-30 WINNER OF THE LOCUS AWARD FOR BEST FANTASY NOVEL, 2022 Lee's series will stand as a pillar of epic fantasy and family drama. —Library Journal (starred review) The Kaul siblings battle rival clans for honor and control over an East Asia-inspired fantasy metropolis in *Jade Legacy*, the page-turning conclusion to the Green Bone Saga. Jade, the mysterious and magical substance once exclusive to the Green Bone warriors of Kekon, is now coveted throughout the world. Everyone wants access to the supernatural abilities it provides. As the struggle over the control of jade grows ever larger and more deadly, the Kaul family, and the ancient ways of the Kekonese Green Bones, will never be the same. Battered by war and tragedy, the Kauls are plagued by resentments and old wounds as their adversaries are on the ascent and their country is riven by dangerous factions and foreign interference. The clan must discern allies from enemies, set aside bloody rivalries, and make terrible sacrifices . . . but even the unbreakable bonds of blood and loyalty may not be enough to ensure the survival of the Green Bone clans and the nation they are sworn to protect. Praise for the Green Bone Saga: *Jade City* has it all: a beautifully realized setting, a great cast of characters, and dramatic action scenes. What a fun, gripping read! —Ann Leckie An instantly absorbing tale of blood, honor, family, and magic, spiced with unexpectedly tender character beats.—NPR The Green Bone Saga *Jade City* *Jade War* *Jade Legacy*

**Blood of the Gods** David Mealing, 2018-08-21 The battle is over, but war lies ahead in the second book of the epic fantasy trilogy that pits humans against gods in a contest for the fate of the world. The battle for the city is over, but the aftermath of a revolution is never simple. . . Sarine begins to experience visions, ones which make her dragon familiar sicker every day. Erris pushes toward conquest and the need to expand her territory and restore her power. And, exiled from his tribe, Arak'Jur apprentices himself to a deadly master. Faced with the threat of a return to the days of darkness, the heroes begin to understand the depth of the sacrifices required from them. To protect their world, they'll have to stand and fight once more. Read this second book in this gripping, vibrant, and imaginative addition to the epic fantasy canon for readers of Brandon Sanderson, Brian McClellan, and Miles Cameron.

The Jade Setter of Janloon Fonda Lee, 2022-11 Fonda Lee returns to the world of the Green Bone Saga with a new standalone novella. The rapidly changing city of Janloon is ruled by jade, the rare and ancient substance that enhances the abilities and status of the trained Green Bone warriors who run the island's powerful clans. Pulo Oritono is not one of those

warriors. He's simply an apprentice jade setter with dreams of securing clan patronage and establishing a successful business. His hopes are dashed, however, when a priceless jade weapon is stolen from the shop where he works. Now, Pulo has three days to hunt down the thief, find the jade, and return it to its rightful owner if he wants to save his future prospects, the people he cares about, and his very life. The desperate mission will lead Pulo to old vendettas, vast corruption, and questions about everything and everyone he thought he knew.

Ester's family was torn apart when a manticore killed her mother and baby brother, leaving her with nothing but her father's painful silence and a single, overwhelming need to kill the monsters that took her family. Ester's path leads her to the King's Royal Mews, where the giant rocs of legend are flown to hunt manticores by their brave and dedicated ruhkers. Paired with a fledgling roc named Zahra, Ester finds purpose and acclaim by devoting herself to a calling that demands absolute sacrifice and a creature that will never return her love. The terrifying partnership between woman and roc leads Ester not only on the empire's most dangerous manticore hunt, but on a journey of perseverance and acceptance.
