G Thomas

The Importance of Living Yutang Lin, 1938 A John Day book. This is a personal testimony, a testimony of my own experience of thought and life.--Pref. Fifth printing, January 1938.

The Importance Of Living Lin Yutang, 1998-09-16 The Importance of Living is a wry, witty antidote to the dizzying pace of the modern world. Lin Yutang's prescription is the classic Chinese philosophy of life: Revere inaction as much as action, invoke humor to maintain a healthy attitude, and never forget that there will always be plenty of fools around who are willing--indeed, eager--to be busy, to make themselves useful, and to exercise power while you bask in the simple joy of existence. At a time when we're overwhelmed with wake-up calls, here is a refreshing, playful reminder to savor life's simple pleasures.

The Importance of Living: "Chinese Lifestyle" Lin Yutang, 2025-01-05 The Importance of Living by Lin Yutang is a philosophical book that offers a unique perspective on daily life and traditional Chinese thought. The book explores various aspects of living a happy and balanced life, with a focus on the importance of mental peace and accepting the complexities of life. In the book, Lin Yutang delves into the concept of living simply and without complications. He examines traditional Chinese culture, ideas of comfort, and moderation, emphasizing how people often search for happiness in external sources, while the true secret lies in inner contentment. The book is essentially a call for relaxation and peace with oneself and the surrounding world, away from the noise of modern life and excessive pressures. Lin Yutang ties this to traditional concepts like *Tao* and *life balance*, suggesting that people could be happier if they were more mindful in appreciating the everyday

moments and seeking meaning in simplicity. Overall, *The Importance of Living* serves as a guide for those seeking a more comfortable and fulfilling life, free from materialism and constant worry.
