Despite the barriers between them, their connection reignites, forcing them to face the risks of defying societal norms and the consequences of their love. As Susanna grapples with her own desires and her duty to her family, the pair embark on a perilous journey that will test their courage, loyalty, and the depth of their bond. With help from old allies and new friends, they navigate a treacherous path toward freedom and the chance to build a life together far from the shadows of their past. Enneagram Theology Rhenn Cherry,2021-08-16 The enneagram has become popular among evangelical Christians as a spiritualized personality typology that claims to help people better understand themselves and others. Several influential evangelical Christian leadership ministries have promoted the enneagram as a tool in forming and maintaining effective ministry teams, and the personality typology is now taught and embraced at several Christian universities. But uncertainty exists about the appropriateness of referring to the Enneagram as a Christian tool. Are pastors and Christian institutional leaders aware of the theology associated with the Enneagram? *Enneagram Theology: Is It Christian?* provides a biblical critique of the Enneagram's underlying theology and exposes not only its foundational theological contradictions with orthodox evangelical theology but also some potential dangers to the church.
