*Seven Librarian Detective Series* Bobby Cinema,2014-10-09 Bobby Cinema has written seven detective stories in one book about each different character going through solving a difficult case, being in the action and deal with real intensive stuff they had to go through from solving cases. For these seven ordinary detectives and their team, their work usually ends up in a library, which is their sanctuary and a place to read and relax at the same time. The first detective series is called Raymond: Librarian PI. Ray Levenstein, a former FBI agent, took over the head librarian job from his friend Jerry who helped him get in the LAPD police academy and became his mentor when he grew up. He was forced into retirement when he was shot in the line of fire when he was a FBI agent. Ray was well respected and highly decorated as an FBI agent, but he decided to retire at a young age of thirty-five. He took over Jerrys job as a head librarian in the Los Angeles Public Library and decided to run a detective agency in his library since he has a PI license. He hires Kevin Sandler, Nick Arbuckle, and Alyson Harris who joined the PI team. Thank you for reading the Seven Librarian Detective series. I hope you enjoy reading them. Who knows, maybe I can come up with another princess story in another time. This is my seventh book that I turn my seven librarian detective stories in one book. See you next time, and the library is now closed. Good-bye!
