

The Sun Never Says

Corinne Urakawa

On the Brink of Belief Kazim Ali, 2025-06-30 Djinns linger in homes, an Assamese grandmother says. Peculiar cousins haunt Kashmiri family trees. Redemption for Shaitan is found on a bathroom floor in Lahore. In Dhaka, questions hang heavy in a police cell. Farewell emails offer closure to a relationship set against the backdrop of the decriminalization bill in Sri Lanka. And in a quiet kitchen somewhere in Nepal, memories still glow like flames. In this collection, twenty-four LGBTQIA+ writers from South Asia and beyond, conjure worlds where the borders between myth and memory, flesh and spirit, fact and belief dissolve. This collection is a first-of-its-kind portal into the charged space where queerness meets faith. Building on the cultural histories of South Asia, these stories are brought to you as flash fiction, memoir, poetry, fragments and conversations, gathering voices that are at once intimate, fiercely authentic and defiant. Together, they rewrite what it means to belong and believe, offering readers not answers but revelations.

Channeling with Buddha Corinne Urakawa, 2012-08-06 When you read Buddha's messages, you will connect with the Buddha's energy to activate Buddha consciousness in your heart that you already have. That will shift your mind and soul and consciousness. Buddha's 108 messages can lead you to understand the following: • How to create real happiness in your life. • How to open your possibilities. • How to get through your time of difficulties or suffering. • Why karma was created in your life. • How to purify your past. • About spiritual world or the soul's secrets. • After life and death of humans and animals. • How to get help from heaven. Whenever you think, you are protected and guided by Buddha. Buddha is always staying with you. Buddha is in your heart.

Soul to Soul John Mundahl, 2015-08-24 Yoga continues to be a growth industry with an estimated thirty million people in North America now practicing either privately or in most cases with a class. Though the yoga market is fractured by the great number of competing schools and philosophies, what they all have in common is the ending of the session with a period of relaxation coupled with inspiring readings. Soul to Soul fills just this need with a beautiful collection of 150 inspiring perfect-length readings plus tens of quotes that are just right for ending a yoga class or private session. Honoring many spiritual traditions, it's the perfect teaching tool or gift for yoga teachers and practitioners, or for anyone seeking uplifting messages for any occasion. Includes writing by Swami Kripalu, Thich Nhat Hanh, Deepak Chopra, Eckart Tolle, H.H. the Dalai Lama, Don Miguel Ruiz, quotes from Rumi, Hafiz, Gandhi, Meister Eckart, Lao Tzu, as well as selections from the Bhagavad

Gita, and the Yoga Sutras of Pantajali. Unlike most books intended for yoga teachers, Soul to Soul has strong appeal to teachers in nearly any tradition, and to a wider range of their students. John Mundahl has been a yoga teacher and practitioner for over thirty-six years. He was a resident at the original Kripalu Yoga Ashram in Sumneytown, Pennsylvania, from 1977–1981, the four years of Swami Kripalu's remarkable stay. He is the author of twelve books, including From the Heart of the Lotus, the Teaching Stories of Swami Kripalu. He lives in St. Peter, Minnesota.

Light A National Poetry Day Book Gaby Morgan,2015-10-01 A free poetry book to celebrate National Poetry Day 2015 with poems on the theme of light from Deborah Alma, Brian Moses, Chrissie Gittins, Liz Brownlee, Michaela Morgan, Jan Dean, Paul Cookson, Roger Stevens, Joseph Cohelo, Indigo Williams and Sally Crabtree. National Poetry Day is a mass celebration, a special day on which all are invited to discover and share the enjoyment of poems. It's a chance to let language off the leash and to relish the sounds that words can make when they are spoken with delight. We hope that the poems in this book - all inspired by this year's National Poetry Day theme of light - will kindle an enthusiasm for poetry that continues to grow long after the day itself,Thursday 8 October 2015, has passed.

Wanting Enlightenment Is a Big Mistake Zen Master Seung Sahn,2006-08-08 A major figure in the transmission of Zen to the West, Zen Master Seung Sahn was known for his powerful teaching style, which was direct, surprising, and often humorous. He taught that Zen is not about achieving a goal, but about acting spontaneously from “don’t-know mind.” It is from this “before-thinking” nature, he taught, that true compassion and the desire to serve others naturally arises. This collection of teaching stories, talks, and spontaneous dialogues with students offers readers a fresh and immediate encounter with one of the great Zen masters of the twentieth century.

Change Your Thoughts, Change Your Life Dr. Wayne W. Dyer,2007-07-31 This insightful collection of essays will guide you to apply the ancient wisdom of the Tao to modern life, and find infinite peace, freedom and joy. Five hundred years before the birth of Jesus, a God-realized being named Lao-tzu in ancient China dictated 81 verses, which are regarded by many as the ultimate commentary on the nature of our existence. The classic text of these 81 verses, called the Tao Te Ching or the Great Way, offers advice and guidance that is balanced, moral, spiritual, and always concerned with working for the good. In this book, Dr. Wayne W. Dyer has reviewed hundreds of translations of the Tao Te Ching and has written 81 distinct essays on how to apply the ancient wisdom of Lao-tzu to today’s modern world. This work contains the entire 81 verses of the

Tao, compiled from Wayne's researching of 12 of the most well-respected translations of text that have survived for more than 25 centuries. Each chapter is designed for actually living the Tao or the Great Way today. Some of the chapter titles are "Living with Flexibility," "Living Without Enemies," and "Living by Letting Go." Each of the 81 brief chapters focuses on living the Tao and concludes with a section called "Doing the Tao Now." Wayne spent one entire year reading, researching, and meditating on Lao-tzu's messages, practicing them each day and ultimately writing down these essays as he felt Lao-tzu wanted you to know them. This is a work to be read slowly, one essay a day. As Wayne says, "This is a book that will forever change the way you look at your life, and the result will be that you'll live in a new world aligned with nature. Writing this book changed me forever, too. I now live in accord with the natural world and feel the greatest sense of peace I've ever experienced. I'm so proud to present this interpretation of the Tao Te Ching, and offer the same opportunity for change that it has brought me."
