Cindy MacKenzie, Barbara Dana

The Year of Magical Thinking Joan Didion, 2005-10-04 NEW YORK TIMES BESTSELLER • NATIONAL BOOK AWARD WINNER • From one of America's iconic writers, a stunning book of electric honesty and passion that explores an intensely personal yet universal experience: a portrait of a marriage—and a life, in good times and bad—that will speak to anyone who has ever loved a husband or wife or child. One of The New York Times's 100 Best Books of the 21st Century Several days before Christmas 2003, John Gregory Dunne and Joan Didion saw their only daughter, Quintana, fall ill with what seemed at first flu, then pneumonia, then complete septic shock. She was put into an induced coma and placed on life support. Days later—the night before New Year's Eve—the Dunnes were just sitting down to dinner after visiting the hospital when John Gregory Dunne suffered a massive and fatal coronary. In a second, this close, symbiotic partnership of forty years was over. Four weeks later, their daughter pulled through. Two months after that, arriving at LAX, she collapsed and underwent six hours of brain surgery at UCLA Medical Center to relieve a massive hematoma. This powerful book is Didion's attempt to make sense of the "weeks and then months that cut loose any fixed idea I ever had about death, about illness ... about marriage and children and memory ... about the shallowness of sanity, about life itself.

Bon Courage Ru Freeman, 2023-08-29 *Bon Courage* is a fierce, eclectic, and intimate collection that encompasses the big questions of our time: what we mean by courage, how we define our world, how we choose to exist in it. *Bon Courage* is an exhilarating journey through a layered intellectual landscape textured with a range of political and personal enthusiasms, and emboldened by a passionate defense of the disregarded. Wide ranging and inclusive in the essay mode, deep and revealing as a memoir, with the dynamics and layering of great fiction. As if that's not enough, it sings. Ru Freeman participates intimately while bringing global perspectives to subjects as diverse as Bowie and Dylan, Palestine, 9/11, hairstyles, personal and cultural identity, motherhood and #MeToo. A resplendent and compendious exploration of great

empathy, insight, and bon courage indeed. This is a book that is going to make a difference.

Religious Narratives in Contemporary Culture, 2021-04-26 Religious Narratives in Contemporary Culture: Between Cultural Memory and Transmediality analyses the meaning and role of religion in western cultural practices in the twenty-first century. This inquiry situates itself at the intersection between cultural memory studies and the transmedial study of narrative and art. Contributors focus on genres which have yet to receive significant critical attention within the field, including speculative fiction films and television series, autobiographical prose and poetry, and action-adventure video games. In this time of crisis, where traces of religious thinking still persist in the presence or absence of religious faith, this volume's collective look into some of their cultural embodiments is necessary and timely. The volume is addressed primarily to scholars and students interested in intersections between religious and cultural studies, revisions of traditional religious narratives, literature as a space of reflection on today's world, contemporary media studies and remediation. Maria-Sabina Draga Alexandru's editing work in the last stages of this volume was supported by a grant of the Romanian Ministry of Education and Research, CNCS - UEFISCDI, project number PN-III-P3-3.6-H2020-0035.

Trauma and the Mediated Self Loredana Bercuci, 2024-10-15 Trauma and the Mediated Self: Contemporary Life Writing Across Media examines twenty-first century representations of trauma in life writing across several media, including printed-word memoir, graphic memoir, autodocumentary, and autobiographical video games. Through careful analysis, Loredana Bercuci uncovers the medium-specific demands for the representation of trauma in life writing in the context of the contemporary memoir boom. She broadly argues that for a trauma representation to be considered successful, each medium adapts its own means to adhere to a certain definition of trauma and in this manner a particular piece of life writing is accepted as a successful and reliable representation of trauma. The representation of trauma in these autobiographical media has created a new trauma aesthetics that is defined by a cautious (re)engagement with the real.

The Production of Lateness Rahel Rivera Godoy-Benesch, 2020-05-11 This study examines how selected authors of the late 20th and early 21st centuries write about their creative processes in old age and thus purposefully produce a late style of their own. Late-life creativity has not always been viewed favourably. Prevalent peak-and-decline models suggest that artists, as they grow old, cease to produce highquality work. Aiming to counter such ageist discourses, the present study proposes a new ethics of reading literary texts by elderly authors. For this purpose, it develops a methodology that consolidates textual analysis with cultural gerontology.

The Year of Magical Thinking Joan Didion, 2009-04-02 In this dramatic adaptation of her award-winning, bestselling memoir, Joan Didion transforms the story of the sudden and unexpected loss of her husband and their only daughter into a stunning and powerful one-woman play. "This happened on December 30, 2003. That may seem a while ago but it won't when it happens to you...." Michiko Kakutani in The New York Times called the memoir that was the basis for the play, "an

indelible portrait of loss and grief ... a haunting portrait of a four-decade-long marriage. The first theatrical production of *The Year of Magical Thinking* opened at the Booth Theatre on March 29, 2007, starring Vanessa Redgrave and directed by David Hare.

The Last Love Song Tracy Daugherty, 2015-08-25 Biography of the American novelist, Joan Didion (1934).

How to Love the Empty Air Cristin O'Keefe Aptowicz, 2018-05-07 New York Times bestselling nonfiction writer and poet
Cristin O'Keefe Aptowicz's *How to Love the Empty Air* reaches new heights in her revelatory seventh collection of poetry. Continuing in her tradition of engaging autobiographical work, *How to Love the Empty Air* explores what happens when the impossible becomes real?for better and for worse. Aptowicz's journey to find happiness and home in her ever-shifting world sees her struggling in cities throughout America. When her luck changes?in love and in life?she can't help but "tell the sun / tell the fields / tell the huge Texas sky.... / tell myself again and again until I believe it." However, the upward trajectory of this new life is rocked by the sudden death of the poet's mother. In the year that follows, Aptowicz battles the silencing power of grief with intimate poems burnished by loss and a hard-won humor, capturing the dance that all newly grieving must do between everyday living and the desire "to elope with this grief, / who is not your enemy, / this grief who maybe now is your best friend. / This grief, who is your husband, / the thing you curl into every night, / falling asleep in its arms..." As in her award-winning *The Year of No Mistakes*, Aptowicz counts her losses and her blessings, knowing how despite it all, life "ripples boundless, like electricity, like joy / like... laughter, irresistible and bright, / an impossible thing to contain."

Final Acts Nan Bauer Maglin, Donna Marie Perry, 2010 For those who yearn for some measure of control over death Final Acts, offers insight and hope. Writing in a style free of technical jargon, the contributors discuss documents that should be prepared (health proxy, do-not-resuscitate order, living will, power of attorney); decision-making (over medical interventions, life support, hospice and palliative care, aid-in-dying, treatment location, speaking for those who can no longer express their will); and the roles played by religion, custom, family, friends, caretakers, money, the medical establishment, and the government.

Off Mike Michael Krasny, 2008 KQED Radio's Michael Krasny is one of the country's leading interviewers of literary luminaries, a maestro for educated listeners who prefer their discourse high and civil. He is a writer's interviewer. But it didn't start out that way. In Off Mike, Krasny, host of one of public radio's most popular and intellectually compelling programs, talks of his strong desire to become a novelist in the footsteps of Bellow and Philip Roth, and then discovering his real talent as a communicator—a deft ability to draw others out as an interlocutor. In a mix of memoir and reportage, Krasny takes readers inside his world. He gives an account of the polarizing transformation of talk radio, from his early days at KGO commercial radio, through to his current role at NPR, where he manages to keep the flow of talk in his San Francisco based show animated and politically balanced. Forum fans and lovers of literature will be riveted by the insightful and amusing vignettes and behind the scenes accounts. They will get a taste of the sharp commentary from his encounters with panels of experts, and interviews with cultural and political personalities as well as writers.

Wider Than the Sky Cindy MacKenzie, Barbara Dana, 2007 A revealing perspective on how Emily Dickinson helps readers cope with suffering Emily Dickinson is known as a poet who presses at the limits of perception and expresses in brilliantly compact, memorable language extremes of both anguish and ecstasy. Her frequent attention to pain and death, like her reclusive tendencies, has led many to dismiss her as morbid. Biographers and critics, however, have shown how she used her writing and her own acquaintance with pain to reach out consolingly to sufferers. In a widely varied collection of personal reminiscences, tributes, and scholarly essays, editors Cindy MacKenzie and Barbara Dana offer richly revealing

perspectives on how the exquisite language in the poems and letters of Emily Dickinson helps readers cope with suffering. The essays featured in *Wider than the Sky* range from fresh scholarly analyses to highly personal essays and meditations, each offering thoughts on the emotional, spiritual, and physical healing power gained from reading Dickinson. MacKenzie and Dana invite readers to reflect on how we respond to poems, how they enter into the core of our consciousness, and how we draw strength from what Dickinson called the Art of Peace. *Wider than the Sky*, a resource for Dickinson fans as well as anyone coping with pain, is an important addition to the Literature and Medicine Series.
