Signs, Superstitions, and God's Plan Schmisek, Brian, 2022 “Brian Schmisek weaves together contemporary experience and writings with those of Greco-Roman classical antiquity. What a delight to discover the long arc of the quest for meaning in our beleaguered world. I found it comforting, challenging, and insightful. An interesting read in turbulent times.” —Sr. Simone Campbell, SSS, advocate, former leader of Nuns on the Bus, award-winning author of *Hunger for Hope* “In *Signs, Superstitions, and God’s Plan*, Brian Schmisek weaves together scripture, the classics, and modern thought in exploring the ways we have sought to give meaning to our lives, from entrails to religious faith to the stars in the sky. This scholarly but accessible book inspires the reader to consider how events in life unfold, and the meaning of her own life.” —Catherine Wolff, author, *Beyond: How Humankind Thinks About Heaven* “An indispensable resource for all of us who accompany others in developing the habitus of discernment and decision making, particularly theologians, transformational leaders, pastoral ministers, and educators who engage in reflective practice.” —Faustino M. Cruz; dean and professor of practical theology, Fordham University Graduate School of Religion “In *Signs, Superstitions, and God’s Plan*, Brian Schmisek displays the full panorama of his rich academic scholarship. With impressive credentials in philosophy, classical studies, and theology, he provides his readers with both wide-ranging examples of common and also some not-so-common human attempts to explain aspects of life on earth that baffle our understanding, frustrate our intentions, and leave us grasping for explanations.” —Frank Lazarus, president emeritus, University of Dallas Brian Schmisek is an award-winning author. He has had a distinguished career in Catholic higher education, most recently as provost and dean of faculties at St. Mary’s University of Minnesota. He was also dean at Loyola University Chicago and the University of Dallas.

Embraced by God Steve Givens, 2010 Anyone who hears the dreaded word chemotherapy naturally experiences feelings of fear and apprehension. For Steve Givens that one word was the beginning of a new chapter in his life, one that would change him in profound ways. He believes that a brotherhood and sisterhood exists between those who have battled a chronic disease or undergone chemotherapy. They know one another's pain, numbness, and exhaustion. They smile at one another when they meet in the hallways or while blood is drawn because they can relate and because they know. And here he shares his story with kin, those who, like him, have no choice but acceptance. He still experiences times of pain, sickness, confusion, and sadness on his journey to wellness, but he also feels renewed and reborn spiritually. Here he reveals that he

has chosen the way of faith and God because he knows of no other way that brings peace and gives him a reason to go on. He has opted to embrace his disease and its treatment--but not by himself alone. As he says, My arms are not big enough or strong enough for the battle. He believes, however, that they arms of God are big enough to encircle him and his disease. This is a beautifully told story of struggle and pain, but ultimately of peace and acceptance, a wonderful resource for all who are facing chronic illness and its treatment.

Divine Laughter Karl N. Jacobson, Rolf A. Jacobson, 2022-07-12 Comedians tend to view the world somewhat askew or askance, and that view--a kind of hermeneutical lens for discerning the comedic in daily life--serves to frame, reframe, and even de-frame reality. Preachers do the same, viewing the world askance through a theological lens of discerning God in daily life. That theological view allows one to preach hope in the face of despair, seeing the world in terms of God's justice and declaring the promise of life out of death. *Divine Laughter: Preaching and the Serious Business of Humor* looks closely at both the cultural phenomenon of stand-up comedy and theories of humor, asking what preachers can learn from both. Karl N. Jacobson and Rolf A. Jacobson offer preachers a means of growth in their art and an approach to reading Scripture both for its humor and through the lens of humor. The book models approaches to the biblical text that allow the Bible to be funny and that bring humor to the text. *Divine Laughter* brings the task of preaching into conversation with both the comedic parts of the Bible and the theological parts of the comedic, in order to bring a new kind of life to preaching. As a serious look at humor and laughter in the Bible, the book explores the theological implications of what it means if we think of God, Jesus, and even the Holy Spirit as filled with laughter. Preachers are invited to wonder at and chuckle their way through examples of God's laughter in the Bible, thinking about what that means for God's people, for the life of faith, and for preaching to God's people.

We Plan, God Laughs Sherre Hirsch, 2008-04-01 The old Yiddish proverb, "We plan, God laughs," expresses a truth everyone can relate to. At every stage of life we make plans, setting out where we want to go and imagining what we will be like when we have "arrived." But things have a way of turning out not quite as we hoped or expected. In *WE PLAN, GOD LAUGHS*, Sherre Hirsch argues that too often our plans are limited to ones we think up at bedtime, or are devised by our parents, or by what looks good on a résumé. Addressing serious spiritual issues, Hirsch takes readers through ten basics steps for formulating a plan that reflects who we are now and who we want to be—a plan that is alive, organic, and in sync with God. Hirsch teaches the importance of letting go and recognizing that even the most ordinary life is extraordinary in the eyes of God. She makes no foolish promise that life will turn out as we plan, but shows that with hope, faith, and belief, we can change our lives for the better and make a positive difference in the lives of others.

Precious Memories: God's Gift of Life James J. Hackett, 2020-05-21 *Precious Memories: God's Gift of Life* By: James J. Hackett Monsignor Oscar Aquino commented that upon reading this book, he sensed the presence of God in each memory.

Father Joseph Franco, a VA Chaplain, was moved to use excerpts in his ministry. Father Wilfred Dodo uses passages in his homilies. Another reader described the book as “inspirational” and it has encouraged an additional reader to begin to author his own.

Leadership Secrets from the Proverbs Robert A. Yost,2013-07-26 The book of Proverbs is a cornucopia of practical wisdom on a variety of topics. The insights and truths covered in this book of ancient Hebrew Wisdom literature run the gamut including the nature of true wisdom and understanding, vices and virtues, relationships and roles, priorities, planning for the future, how to communicate, and how to manage one's resources. In recent decades, the book of Proverbs has increasingly become the focus of attention for Christians who wish to live lives more in tune with God's principles. In particular, Christian thinkers have begun to correlate biblical principles with the study of effective leadership. Yost examines the subject of godly leadership by using the book of Proverbs as his springboard. This is a scholarly, yet deeply devotional, study of the leader's priorities, the leader's plans, and the leader's speech. Once you have read this book, you will never look at the book of Proverbs or the subject of leadership the same way again.

The Ladies' Repository, 1870 The idea of this women's magazine originated with Samuel Williams, a Cincinnati Methodist, who thought that Christian women needed a magazine less worldly than Godey's Lady's Book and Snowden's Lady's Companion. Written largely by ministers, this exceptionally well-printed little magazine contained well-written essays of a moral character, plenty of poetry, articles on historical and scientific matters, and book reviews. Among western writers were Alice Cary, who contributed over a hundred sketches and poems, her sister Phoebe Cary, Otway Curry, Moncure D. Conway, and Joshua R. Giddings; and New England contributors included Mrs. Lydia Sigourney, Hannah F. Gould, and Julia C.R. Dorr. By 1851, each issue published a peice of music and two steel plates, usually landscapes or portraits. When Davis E. Clark took over the editorship in 1853, the magazine became brighter and attained a circulation of 40,000. Unlike his predecessors, Clark included fictional pieces and made the Repository a magazine for the whole family. After the war it began to decline and in 1876 was replaced by the National Repository. The Ladies' Repository was an excellent representative of the Methodist mind and heart. Its essays, sketches, and poems, its good steel engravings, and its moral tone gave it a charm all its own. -- Cf. American periodicals, 1741-1900.

Torah and Dharma Judith Linzer,1996-09 In *Torah and Dharma: Jewish Seekers in Eastern Religions*, psychologist Dr. Judith Linzer explores the phenomenon of Jews seeking spiritual fulfillment in Eastern religions, particularly Buddhism. Written with the intention of encouraging unity and understanding amongst all Jews, *Torah and Dharma* will allow those who are not seeking meaning outside of traditional Judaism to better understand those who are, and it will provide comfort and inspiration to those embarking on a spiritual quest of their own.
