Assessing Technology and Innovation Policies Cristiano Antonelli, Albert N. Link, 2020-05-21 This volume brings together eminent international scholars to discuss and analyze regional and national technology and innovation policies from an economic assessment or economic impacts perspective. The analysis covers policies relevant to countries in Europe and Asia, and the United States. Not only might this volume initiate further study of technology and innovation policies, on a country-by-country basis, but also it might open doors for comparative policy analysis. This book was originally published as a special issue of *Economics of Innovation and New Technology*.

Arctic Business Analysis: PPPs and Business Cooperation , 2018-01-18 In 2016, the Nordic Cooperation Ministers decided to put more emphasis on economic development in the Arctic within the Arctic Cooperation Program of the Nordic Council of Ministers. The Nordic Council of Ministers partnered up with the Arctic Economic Council in carrying out an Arctic Business Analysis. The aim was to qualify knowledge on the business environment in the Nordic Arctic and how to take the business environment to a next level. The analysis covers 1) Entrepreneurship and Innovations; 2) Public- Private Partnerships & Business Cooperation; 3) Bio-economy, and 4) Creative and Cultural Industries. The general findings of the analysis are: → a need for an increased collection and dissemination of Arctic specific data; → a need for strengthened cross-border business collaboration between regions and actors in the Arctic; and → a need for a positive branding of the Arctic as an attractive and sustainable market for investments and economic development.

Basque Country Marti Buckley, 2018-09-11 Winner, 2019 IACP Award, Best Book of the Year, International Named one of the Best Cookbooks of the Year / Best Cookbooks to Gift by the New York Times, Food & Wine, Saveur, Rachael Ray Every Day, National Geographic, The Guardian and more “Truly insider access, an authentic look at the traditions of one of the most incredible culinary regions of the world.” —José Andrés Tucked away in the northwest corner of Spain, Basque Country not only boasts more Michelin-starred restaurants per capita than any other region in the world, but its unique confluence of mountain and sea, values and tradition, informs every bite of its soulful cuisine, from pintxos to accompany a glass of wine to the elbows-on-the-table meals served in its legendary eating clubs. Yet Basque Country is more than a little inaccessible—shielded by a unique language and a distinct culture, it’s an enigma to most outsiders. Until now. Marti Buckley, an American chef, journalist, and passionate Basque transplant, unlocks the mysteries of this culinary world by

bringing together its intensely ingredient-driven recipes with stories of Basque customs and the Basque kitchen, and vivid photographs of both food and place. And surprise: this is food we both want to eat and can easily make. It's not about exotic ingredients or flashy techniques. It's about mind-set—how to start with that just-right fish or cut of meat or peak-of-ripeness tomato and coax forth its inherent depth of flavor. It's the marriage of simplicity and refinement, and the joy of cooking for family and friends.

The Book of Pintxos Marti Buckley, 2024-04-09 For the first time ever, the recipes for pintxos—the small dishes found in bars in Basque Country—are gathered to present the definitive bible on this significant food of Basque culture, along with the history and people who created them, written by award-winning author Marti Buckley. *Named a Best Cookbook to Gift in 2024 by Chowhound, and a Best New Cookbook of Spring 2024 by Epicurious Nestled in the Old Town of San Sebastián, Spain, is a culinary tradition unlike any other in the world: the pintxo. Ranging from a simple anchovy-and-pepper toothpick skewer to a decadent dish of tender beef cheek over creamy potatoes, pintxos are impressive, well thought-out dishes, distilling ingredient know-how and creative cooking techniques into just a few bites. Bar owners take pride in their pintxo recipes, which are often closely protected and passed down through generations. In the first authoritative book on this subject, author and Basque transplant Marti Buckley defines what makes a pintxo, traces its history back several decades, and shares the recipes so home cooks can authentically recreate these tiny morsels in their own kitchens. Through 70 recipes, bar profiles, histories, and vivid photographs, *The Book of Pintxos* unlocks a window into this dynamic Basque food culture for curious eaters everywhere.
