RD Boyd

Thirteen Yosselly A. Lopez, 2015-05-19 This book however is not a short story like, Tikey but rather a poetry book about life and its main elements. Thru her poetry Yosselly will capture your heart and make you feel her art. As she says poetry is a language we all speak but not all practice. With this book I hope to communicate with my readers in this language. I invite you to read and experience, to travel to a world of art, to let your feeling explore each page and fall in love again. This book contains not only poems by Yosselly Lopez but also short stories by her father, Julio Lopez. Together, father and daughter have created the perfect combination just for you! You are now holding your ticket to an emotional roller coaster through epic poems and a pass to time travel through adventures in each short story. Enjoy the ride!
