**Joel Dorman STEELE**

**A Light in the Flame: A Flesh and Fire Novel** Jennifer L. Armentrout, 2022-11-15 From #1 New York Times bestselling author Jennifer L. Armentrout comes book two in her Flesh and Fire series... The only one who can save Sera now is the one she spent her life planning to kill. The truth about Sera's plan is out, shattering the fragile trust forged between her and Nyktos. Surrounded by those distrustful of her, all Sera has is her duty. She will do anything to end Kolis, the false King of Gods, and his tyrannical rule of Iliseum, thus stopping the threat he poses to the mortal realm. Nyktos has a plan, though, and as they work together, the last thing they need is the undeniable, scorching passion that continues to ignite between them. Sera cannot afford to fall for the tortured Primal, not when a life no longer bound to a destiny she never wanted is more attainable than ever. But memories of their shared pleasure and unrivaled desire are a siren's call impossible to resist. And as Sera begins to realize that she wants to be more than a Consort in name only, the danger surrounding them intensifies. The attacks on the Shadowlands are increasing, and when Kolis summons them to Court, a whole new risk becomes apparent. The Primal power of Life is growing inside her, pushing her closer to the end of her Culling. And without Nyktos's love—an emotion he's incapable of feeling—she won't survive her Ascension. That is if she even makes it to her Ascension and Kolis doesn't get to her first. Because time is running out. For both her and the realms.

the Egyptian language sections of P. Bibliothèque Nationale Supplément Grec. 574 (PGM IV) and analysis of their script, language, and the bilingual spells which they are part of. The magical practices preserved in the PDM and PGM have been published for nearly a century, yet it is only recently that research has focused on investigating the complex relationship between the languages, scripts, and religious traditions they exhibit, as well as the question of who composed, copied, and practiced these spells. Focusing on the bilingual divinations, lust spell, and exorcism of PGM IV, written in the Egyptian and Greek languages - and rendered in Old Coptic scripts and the Greek script respectively - this volume analyses their textual content and ritual mechanics, contextualised among the PDM and PGM, and investigates the potential identities of the magical practitioners of late Roman and Late Antique Egypt. Encompassing the disciplines of Egyptology, Coptology, Papyrology, and Late Antique studies, this volume focuses in particular on the themes of magical practice, bilingualism, script, and the social context of magic in Egypt during the 2nd to 4th centuries CE.
