Just the Thing Marie Harte, 2017-07-04 The sultry sex and seduction scenes are just the icing on this incredibly rich and satisfying cake. Readers will sit down, read this book from cover to cover in one sitting, and then pick it up to read it all over again.—RT Book Reviews, 5 Stars A FLING MIGHT BE JUST THE THING... Gavin Donnigan left the Marine Corps a shell of a man, hounded by guilt for deaths he couldn't prevent. But teaching a self-defense class at the local gym brings some stability to his life—along with a gorgeous leggy woman who won't give him the time of day. Zoe York lost her twin sister to a freak car accident a few months ago. She's been struggling to bury her grief, but it isn't until she signs up for a self-defense class with its distractingly hot instructor that she begins to come out of her shell again. With the memory of her sister telling her to live a little, Zoe decides a fling with buns-of-steel Gavin Donnigan might be just the thing. Soon they're sparring both in and out of the gym. And for the first time in a long time, each is looking forward to tomorrow. The Donnigans series: A Sure Thing (Book 1) Just the Thing (Book 2) The Only Thing (Book 3) Praise for Marie Harte: A blazing hot, emotionally intense love story...from an author on the rise.—Kirkus for A Sure Thing This is truly a must read!—Night Owl Reviews, 5 Stars, Top Pick! for Roadside Assistance Readers will swoon at the romantic gestures... in this easy-to-read tale of self love, trust and taking chances.—RT Book Reviews for Roadside Assistance

Where better to lose herself than a masked party? Gear Blackstone's cheating ex and scheming best friend have managed to spin his life into a serious downward spiral. The Book of Elsewhere Keanu Reeves,China Miéville,2025-07-22 #1 NATIONAL BESTSELLER NEW YORK TIMES BESTSELLER An “action-packed [and] profoundly stylish” (Los Angeles Times) epic from Keanu Reeves and China Miéville, unlike anything these two genre-bending pioneers have created before, inspired by the world of the BRZRKR comic books “[The Book of Elsewhere is] a pulpy, adrenaline-fueled thriller, but it’s also a moody, experimental novel about mortality, the slippery nature of time, and what it means to be human.”—The New York Times “An exceptionally innovative collaboration from two remarkable minds.”—William Gibson, author of *Neuromancer* She said, We needed a tool. So I asked the gods. There have always been whispers. Legends. The warrior who cannot be killed. Who’s seen a thousand civilizations rise and fall. He has had many names: Unute, Child of Lightning, Death himself. These days, he’s known simply as “B.” And he wants to be able to die. In the present day, a U.S. black-ops group has promised him they can help with that. And all he needs to do is help them in return. But when an all-too-mortal soldier comes back to life, the impossible event ultimately points toward a force even more mysterious than B himself. One at least as strong. And one with a plan all its own. In a collaboration that combines Miéville’s singular style and creativity with Reeves’s haunting and soul-stirring narrative, these two inimitable artists have created something utterly unique, sure to delight existing fans and to create scores of new ones.

Dracula as Absolute Other Simon Bacon,2019-07-01 Dark, dangerous and transgressive, Bram Stoker's *Dracula* is often read as Victorian society's absolute Other--an outsider who troubles and distracts those around him, one who represents the fears and anxieties of the age. This book is a study of *Dracula*'s role of absolute Other as it appears on screen, and an investigation of popular culture's continued fascination with vampires. Drawing on vampire films spanning from the early 20th century to 2017, the author examines how different generations construct Otherness and how this is reflected in vampire media.

Uncle John's Colossal Collection of Quotable Quotes Bathroom Readers' Institute,2004 Aficionados of the Bathroom Reader have long remarked on Uncle John's ability to select quintessential quotations. The ever-accommodating Uncle John has responded to this shameless praise by flushing out the all-time best and most hilarious quotes to form this cunning compilation. Highlights include Five Things You Should Never Do (Never test the depth of a river with both feet), Seven Classic Shakespearean Insults (Thy food is such as hath been belch'd on by infected lungs), and pithy rock talk from the likes of Ozzy Osbourne, Neil Young, and Frank Zappa (Rock journalism is people who can't write interviewing people who can't talk for people who can't read.).

Uses of Sadness Karen Masman,2009-03-01 Most of us have bouts of unexplained sadness. Just because we feel sad doesn't mean something is wrong. It may be a time to reassess our goals, to have some down time. It may signal a time of transition, a shift in our identity. The Uses of Sadness helps us understand the nuances of sadness, and how it differs from depression. Sadness helps us access a deeper part of ourselves. As we then become a little bigger, wiser and more compassionate than we were, our lives are enriched and we in turn enrich the lives of others.
