Survival Guide for Beginners 2021 Leslie Martin,2020-11-08 Modern challenges have left many of us wondering what on earth we would do if everything came to a crashing halt. What if the entire food chain collapsed, and you had access to nothing? What if a natural disaster struck and you had to leave your home? What if you experienced some form of a serious emergency that needed to be addressed right then and there? Could you do it? While our modern systems are wonderful for helping our day to day life along, they have left many painfully unprepared in the event that something goes wrong. Once you find yourself launched into a survival setting, everything changes. Modern conveniences like grocery stores and even things you probably don't think about like sewage, are not always available. You may find yourself having to make do in the wilderness, and find a new way of survival, at least until the system is restored. If it gets restored.
