

Again And Again Jonathan Evison

M Walker

Again and Again Jonathan Evison, 2024-12-10 From one of America's greatest, most creative novelists comes *Again and Again*, a poignant and endlessly surprising story about love lost, found, and redeemed Eugene "Geno" Miles is living out his final days in a nursing home, bored, curmudgeonly, and struggling to connect with his new nursing assistant, Angel, who is understandably skeptical of Geno's insistence on having lived not just one life but many—all the way back to medieval Spain, where, as a petty thief, he first lucked upon true love only to lose it, and spend the next thousand years trying to recapture it. Who is Geno? A lonely old man clinging to his delusions and rehearsing his fantasies, or a legitimate anomaly, a thousand-year-old man who continues to search for the love he lost so long ago? As Angel comes to learn the truth about Geno, so, too, does the reader, and as his miraculous story comes to a head, so does the biggest truth of all: that love—timeless, often elusive—is sometimes right in front of us.

Eli Harpo's Adventure to the Afterlife Eric Schlich, 2024-01-16 Award-winning author Eric Schlich's *Eli Harpo's Adventure to the Afterlife* is an accessible and big-hearted novel that explores belief and forgiveness as a boy grapples with his faith and sexuality on a rollicking family road trip to Bible World. When Eli Harpo was four, he underwent emergency open-heart surgery, flatlined on the operating table, and for a brief time, went to heaven and met Jesus. Or at least that's what his father, a loving but devout Baptist minister, has raised him to believe. Nine years later, Eli isn't so sure. His rounds with his father to evangelize at hospices and sell his father's self-published book, *Heaven or Bust!*, feel inauthentic and strange, especially now that he's started having sex dreams about Jesus. Between that and his mother's terminal breast cancer diagnosis, Eli feels further from heaven than ever. But when the famous televangelist Charlie Gideon shows up at the Harpos' doorstep with a proposal to create a new attraction based on Eli's trip to the afterlife at his Bible-themed park, Eli isn't able to say no. As the Harpos head off on a rollicking road trip from Kentucky to Bible World in Orlando, Eli is left to grapple with not just his faith and his sexuality, but also his own parents' messy humanity and what happens when a family held together by mythmaking starts coming apart at the seams. Hilarious and moving, *Eli Harpo's Adventure to the Afterlife* is a kind-hearted story about self-discovery and the search for truth, wherever it takes you.

The Heart of Winter Jonathan Evison, 2025-01-07 One of The Washington Post's 10 Noteworthy Books for January One of The Los Angeles Times' 10 Books to Add to Your Reading List in January One of The Seattle Times' 24 Books to Look Out for

in 2025 One of Kirkus' Best 20 Books to Read in January The extraordinary new novel by Jonathan Evison, about a married couple in their golden years, from when they met across big ups, deep downs, and survive-it-all, opposites-attract love Abe Winter and Ruth Warneke were never meant to be together—at least if you ask Ruth. Yet their catastrophic blind date in college evolved into a seventy-year marriage and a life on a farm on Bainbridge Island with their hens and beloved Labrador, Megs. Through the years, the Winters have fallen in and out of lockstep, and from their haunting losses and guarded secrets, a dependable partnership has been forged. But when Ruth's loose tooth turns out to be something much more malicious, the beautiful, reliable life they've created together comes to a crisis. As Ruth struggles with her crumbling independence, Abe must learn how to take care of her while their three living children question his ability to look after his wife. And once again, the couple has to reconfigure how to be there for each other. In this bighearted and profound portrait of a marriage, Jonathan Evison explores seventy years of big moments in subtle ways, elegantly braiding the Winters' turbulent history with their present-day battles, showing us how the oddly paired college kids became parents, fell apart and back together, and grew into the Abe and Ruth of today. Endlessly heartwarming and moving, *The Heart of Winter* is a reminder that true love lives in small, everyday moments.

Crow Talk Eileen Garvin, 2025-04-29 Nationally bestselling author of *The Music of Bees* Eileen Garvin returns with a moving story of hope, healing, and unexpected friendship set amidst the wild natural beauty of the Pacific Northwest. Frankie O'Neill and Anne Ryan would seem to have nothing in common. Frankie is a lonely ornithologist struggling to salvage

her dissertation on the spotted owl following a rift with her advisor. Anne is an Irish musician far from home and family, raising her five-year-old son, Aiden, who refuses to speak. At Beauty Bay, a community of summer homes nestled on the shores of June Lake, in the remote foothills of Mount Adams, it's off-season with most houses shuttered for the fall. But Frankie, adrift, returns to the rundown caretaker's cottage that has been in the hardworking O'Neill family for generations—a beloved place and a constant reminder of the family she has lost. And Anne, in the wake of a tragedy that has disrupted her career and silenced her music, has fled to the neighboring house, a showy summer home owned by her husband's wealthy family. When Frankie finds an injured baby crow in the forest, little does she realize that the charming bird will bring all three lost souls—Frankie, Anne, and Aiden—together on a journey toward hope, healing, and rediscovering joy. *Crow Talk* is an achingly beautiful story of love, grief, friendship, and the healing power of nature in the darkest of times.

All About Lulu Jonathan Evison, 2018-03-01 A “wickedly funny and sublimely moving” debut from the New York Times–bestselling author of *This is Your Life, Harriet Chance!* (Caroline Leavitt, author of *Cruel Beautiful World*) A quirky coming-of-age novel about a gawky vegetarian in an off-the-wall bodybuilding family, who develops an inconvenient obsession with his new stepsister . . . Weakness has always been a concern for William Miller: growing up vegetarian in a family of competitive bodybuilders will do that to a person. But William's life is turned upside down with the death of his mother and the arrival of both a new stepmother and stepsister—Lulu. At once they are thick as thieves, but years later, something changes, and William watches his life shift into tumult and despair. Once Lulu departs for college, Will goes into the world to find himself, discovering Western philosophy, a cruel dating world, enduring friendship, and, ultimately, his true calling. Emboldened by his turn as a late-night radio personality, Will rescues himself from the self-image of weakness he'd long wished to escape. This debut novel explores the fundamental difference between where we come from—and the endless possibilities of where we may go. A funny, moving, and painfully honest debut, this 10th anniversary edition includes a new author's introduction and a foreword by New York Times–bestselling author J. Ryan Stadal.

Blueprints of the Afterlife Ryan Boudinot, 2012 In a future world that has been decimated by a sentient glacier and corrupt nanotechnology, a film archivist, a former mercenary and a virtuoso dishwasher are manipulated by a man who is overseeing the construction of a Manhattan replica in Puget Sound.

This Is Your Life, Harriet Chance! Jonathan Evison, 2015-09-08 “Jonathan Evison is a ridiculously gifted storyteller: racing, breathless, and vibrant with his prose, hungry for personal truths, and clearly in love with the world around us all. That compassion and those writerly charms are deeply felt in *This Is Your Life, Harriet Chance!*, an irresistible, inventive novel full of important ideas about how we live our lives as parents, children, partners, and human beings.” —Jami Attenberg, author of *The Middlesteins* With Bernard, her husband of fifty-five years, now in the grave, seventy-eight-year-old Harriet Chance impulsively sets sail on an ill-conceived Alaskan cruise that her late husband had planned. But what she hoped would

be a voyage leading to a new lease on life becomes a surprising and revelatory journey into Harriet's past. There, amid the overwhelming buffets and the incessant lounge singers, between the imagined appearances of her late husband and the very real arrival of her estranged daughter midway through the cruise, Harriet is forced to take a long look back, confronting the truth about pivotal events that changed the course of her life. And in the process she discovers that she's been living the better part of that life under entirely false assumptions. In *This Is Your Life, Harriet Chance!* Jonathan Evison has crafted a bighearted novel with an endearing heroine at the helm. Through Harriet, he paints a bittersweet portrait of a postmodern everywoman, her story told with great warmth, humanity, and humor. Part dysfunctional love story, part poignant exploration of the mother-daughter relationship, nothing is what it seems in this tale of acceptance, reexamination, and forgiveness.
