**A Well-Ordered Estate** Maria Victoria Rotor-Hilado, 2018-07-13 To those who are cursed or gifted with the burden of wealth, two things are as unchanging as the seasons. First, one is born with death as a sibling. Second, what you own in turn owns you. This book, written by a bar topnotcher and an experienced lawyer in estate planning, will put an end to property problems that afflict those with possessions, great or small. In this sense, the author performs the role of a legal undertaker who makes sure that no one leaves behind property problems together his mortal remains.

**No Return** Nolon King, David W. Wright, 2018-05-12 From the bestselling authors of 12, Hidden Justice, and Pretty Killer comes the unforgettable thriller series that blends mystery and suspense into pulse-pounding, revenge-seeking, serial-killing action. A MISSING CHILD Jessi Price is missing, taken in a bold ambush from a school bus in broad daylight. Instead of this being the sick work from a twisted man, the atrocities are born from a secret white slavery ring that serves the wealthy and powerful, no matter how disgusting their tastes. And their plans for Jessi are unthinkable. A SERIAL KILLER Serial killer Paul Dodd is in jail awaiting trial. But soon he is visited by someone offering a chance at freedom, and the ultimate revenge. In exchange for one little favor. A COP Trouble has found Detective Mallory Black when her dark past catches up with her and she finds herself suspended. How can she possibly save Jessi when she can't work the case? A VIGILANTE Jasper Parish knows that helping Mallory could cost him his freedom. But he had his own sins to atone for, and will stop at nothing to save Jessi ... even if it costs him everything. NOBODY IS SAFE None of them have any idea what's in store as the powerful organization's tentacles wrap around them, bringing them all to the brink of No Return.  Love this series. I hope many more are written. All the characters are brought to life in a way that has you feeling like you are right there with them. Helping to catch the really bad men and try to deal with what life hands you. -- Patty U  This is a great continuation of the story. Once I started, I could not stop. It is a story that I did not want to end. I will be anxiously awaiting the next chapter of this story. -- Scott B  All I can say, this one was very intense. Had to stop and take deep breaths to start reading again. BrendaT  While parts of this story are hard to read, the book is definitely worth the read. This is one of the best new series I've read. -- Gloria  What a great book! I am loving this series, couldn't put it down. Can't wait for the next one! Pelar Gonium No Return is the fourth book in this pulse-pounding new series for fans of Dexter, Silence of the Lambs,

and Seven.
