Zoe Beth Geller

King's Promise A Dark Mafia Romance Zoe Beth Geller,2023-10-10 I never wanted the crown of the Volkov Bratva. But it was never mine to reject. When my father died, I inherited more than his empire—I inherited his final command: Marry the daughter of his oldest friend. Anya Petrov. She was the girl I couldn't forget. Now she's the woman I'm forced to protect... and possess. This isn't a love story. It's a survival pact wrapped in silk and sealed in blood. She doesn't want me. She thinks I'm cruel. But I know how to rule—and how to take what's mine. There's a mole in the organization. Enemies at our gates. A war is brewing in the shadows of London. If I lose her, I lose everything. And I don't lose. I was forged in frost. Crowned in violence. And she... she's my promise. Even if I have to burn the world down to keep her.

The Complete Costume Dictionary Elizabeth J. Lewandowski,2011-10-24 While there are costume and fashion dictionaries tied to specific countries or periods, none have been comprehensive. In *The Complete Costume Dictionary*, Elizabeth Lewandowski has collected from a variety of sources-including costume history texts, journal articles, historical publications, autobiographies, biographies, foreign language dictionaries, and contemporary publications-to create a resource that spans the globe, from the earliest record of fashion to the 21st century. Including more than 20,000 fashion and costume terms, this volume also features more than 300 illustrations. The first section of the book is an alphabetical listing of these words with their definitions, period, and country of origin. This volume also contains appendixes that list the terms by country of origin, period, and type of clothing. The book is not limited to the Western World and includes both archaic and current terms. Significantly greater in scope than anything currently available-online or in print-this one-of-a-kind publication is an invaluable resource for costume and fashion historians, textile preservationists, period re-enactors, and history and theatre scholars, as well as theatre professionals.
