Scripture and Counseling Bob Kellemen,2014-10-07 What role does Scripture play in counseling? Today, we face a weakening of confidence in the Bible. This is just as true for the pastor offering counsel in his office as it is for the person in the pew talking with a struggling friend. We need to regain our confidence in God's living Word as sufficient to address the real-life issues we face today. Scripture and Counseling will help you understand how the Bible equips us to grow in counseling competence as we use it to tackle the complex issues of life. Divided into two sections, Part One develops a robust biblical view of Scripture's sufficiency for life and godliness leading to increased confidence in God's Word. Part Two teaches how to use Scripture in the counseling process. This section demonstrates how a firm grasp of the sufficiency of Scripture leads to increased competence in the ancient art of personally ministering God's Word to others. Part of the Biblical Counseling Coalition series, Scripture and Counseling brings you the wisdom of twenty ministry leaders who write so you can have confidence that God's Word is sufficient, necessary, and relevant to equip God's people to address the complex issues of life in a broken world. It blends theological wisdom with practical expertise and is accessible to pastors, church leaders, counseling practitioners, and students, equipping them to minister the truth and power of God's word in the context of biblical counseling, soul care, spiritual direction, pastoral care, and small group facilitation.

John Newton's Theology of Suffering and Its Application to Pastoral Care Keith Palmer,2025-05-22 John Newton was an eighteenth-century Anglican minister who is best known as the writer of the hymn "Amazing Grace." Yet he was also the leading pastoral counselor of his generation who kept up a prolific letter-writing ministry of pastoral care to dozens of people from all walks of life who wrote seeking his advice. But why was Newton's counsel so popular? This work seeks to answer this question by exploring Newton's unique theology of suffering, which formed an essential structure that informed and shaped his model of soul care. Influenced by this doctrine, Newton's manner and methodology of pastoral care is explored, highlighting key principles of his strategy as he sought to care for others. Finally, two examples of Newton's counsel are considered: his ministry to his wife during her chronic health issue and his care of the poet, William Cowper, through his decades of struggle with depression.

Biblical Counseling and the Church Bob Kelleman, 2015-11-03 As people face addictions, deal with loss and grief, and seek help in restoring broken relationships, where can they turn for counsel and assistance? The local church has been uniquely blessed with the gift of the gospel and is able to offer hope and counsel that no other institution on earth can. In *Biblical Counseling and the Church*, Bob Kelleman and Kevin Carson have assembled over twenty respected ministry leaders who examine the relationship between counseling and the church. This comprehensive resource, part of the Biblical Counseling Coalition series, helps leaders and counselors develop a vision that goes beyond being a church with a biblical counseling ministry to becoming a church of biblical counseling—a church culture that is saturated by “one-another” ministry. Divided into five parts, *Biblical Counseling and the Church* will help church leaders: Unite the pulpit ministry of preaching the Word with the personal ministry of the Word in counseling Offer practical and theological training to equip counselors Launch and lead a counseling ministry, regardless of the size of your church Bring together the relational focus of small group ministry with the ministry of care and counseling Better understand the relationship between biblical counseling, church discipline, and conflict resolution Learn how to use counseling in outreach through “missional” biblical counseling—moving biblical counseling beyond the doors of the church and into the world

Gospel Conversations Robert W. Kelleman, 2015-09-01 How does a person learn to counsel others with the truth of God’s Word? Bob Kelleman believes that the best way to learn counseling is by doing it—by giving and receiving biblical counseling in the context of real, raw Christian community. *Gospel Conversations* explores the four compass-points of biblical counseling: Sustaining: “It’s Normal to Hurt.” Healing: “It’s Possible to Hope.” Reconciling: “It’s Horrible to Sin, but Wonderful to Be Forgiven.” Guiding: “It’s Supernatural to Mature.” These four compass points combine to equip readers to develop twenty-two ministry relational competencies—the “how to” of caring like Christ. This book serves as a practical training manual that can be used for lab and small group interaction. *Gospel Conversations* is the second volume in *The Equipping Biblical Counselors Series*, a comprehensive relational training curriculum for the local church that provides a model for equipping God’s people to change lives with Christ’s changeless truth. This two-volume series weaves together comprehensive biblical insight with compassionate Christian engagement.

Why Biblical Counseling?: An Appeal for Scriptural Sufficiency Dr. Ab Abercrombie, 2019-02-09 Why Biblical Counseling? Because God's Word is fully sufficient for the counseling task and is superior to any secular method of care the world can provide. In his new book, Dr. Ab Abercrombie draws a clear contrast between the temporal provision of humanism and the transformational authority of the Bible. The reader is trained and encouraged to think and respond biblically in all matters of biblical care and discipleship, for the restoration of the fallen believer (Gal 6:1-2) and the evangelism of those yet to encounter Christ (Matt 28:19-20). The text serves as an invaluable resource, suitable for pastors, ministry students, and lay leaders within the Church.
