Father-Daughter Incest Judith Lewis Herman, Lisa Hirschman, 2012-11 Through an intensive clinical study of forty incest victims and numerous interviews with professionals in mental health, child protection, and law enforcement, Judith Herman develops a composite picture of the incestuous family. In a new afterword, Herman offers a lucid and thorough overview of the knowledge that has developed about incest and other forms of sexual abuse since this book was first published. Reviewing the extensive research literature that demonstrates the validity of incest survivors' sometimes repressed and recovered memories, she convincingly challenges the rhetoric and methods of the backlash movement against incest survivors, and the concerted attempt to deny the events they find the courage to describe.

Inbreeding, Incest, and the Incest Taboo Arthur P. Wolf, 2005 Why is incest widely prohibited? Why does the scope of the prohibition vary from society to society? Why does incest occur despite the prohibition? What are the consequences? To reexamine these questions, this book brings together contributions from the fields of genetics, behavioral biology, primatology, biological and social anthropology, philosophy, and psychiatry.

On Incest Giovanna Ambrosio, 2018-04-24 Incest is a universal taboo that is found throughout the history and mythology of the majority of societies. A neglected subject in more recent psychoanalytic work, this book was inspired by the COWAP European Conference of 2003. *On Incest* explores the theories and reasons behind incest, using themes such as gender identity and perversion. This fourth volume in the Psychoanalysis & Women Series for the Committee on Women and

Psychoanalysis of the International Psychoanalytical Association contains papers from leading experts in the field. It includes the papers delivered at the conference, and two additional papers from Mariam Alizade and Brendan MacCarthy, who present their accounts of the discussions as they developed during the conference. The collection deals with a number of issues that surround incest, including Freud's work and how his outlook changed throughout the years; the post-Freudian theories; treatment of both offender and victim through traditional one-on-one and group therapy; the importance of the sex of the analyst; the permutations of the abuser/abused; and the why of incest.

Strong Mothers, Weak Wives Miriam M. Johnson, 1988 For years I have been impressed by the originality and insight of Johnson's articles on gender, sexuality, and male dominance. This book continues and expands the excellent quality of the earlier work. . . [It] provides an original argument about the central structural locus of gender inequality, and makes a major advance in its insightful and insistent focus on the role of the father in gender differentiation and sexual dominance. . . . It will surely be recognized as a major work of feminist theory.—Nancy Chodorow, author of *The Reproduction of Mothering* This thoughtful and provocative book greatly deepens the debate over the effects of mothers and fathers on their children.—Arlie Hochschild, author of *The Second Shift: Inside the Two-Job Marriage*

FILL ME UP! (TABOO DADDY DAUGHTER EROTIC BUNDLE) Sally Spanks, Please - I'm begging you... please Daddy, while she's not here - spread my legs and fill me up! He thought I'd never ask... But I'm so horny for him! He makes me so wet, and I make him so hard! We both know it's wrong... but we can't help ourselves! He's my step daddy and I want him so badly! All characters in this taboo collection are consenting adults and are not blood related.

Appealing to God or Man Nicholas J. Campbell, 2025-03-31 *Appealing to God or Man: Contrasting Barrenness and Family Death Narratives in the Hebrew Bible and Ancient Near East* argues for a reevaluation of barrenness-type scenes in the Hebrew Bible and ancient Near East. More specifically, the argument is for a distinction: women in family death narratives appeal to men, while women in barrenness narratives appeal to God. Even the male-centric epics of the ancient Near East show that women interact with the divine more during barrenness crises (e.g., the wife's prophetic dream in the Etana myth) than during family death crises (e.g., male-divine narratives in Kirta and Aqhat). This distinction not only clarifies the narrative tropes but emphasizes the role of women in these crises and intersects with discussions of household roles in the ancient Near East. Male and female roles in marriage and fertility drive the responses of characters in these idealized narrative worlds, especially in family death and barrenness narratives.

Sex Joann Ellison Rodgers, 2003-02-11 How much do you really know about sex? In *Sex: A Natural History*, Joann Ellison Rodgers unearths both the roots of our sexual nature and the expression of our primal urges, explaining what it is that makes

us male and female, and providing fascinating insights into the biology and physiology of flirtation, love, courtship, intercourse, fidelity, parenting, and nurturing. She describes scientists' discoveries about how the hormone that triggers labor contractions keeps prairie voles faithful to one mate, how the brain waves of female mice change when a male comes within smell range, and how Harlequin paperback romances and fantasies can be arousing-and what these findings tell us about our own sexuality. *Sex: A Natural History* illuminates one of the most powerful, and often misunderstood, aspects of human and animal existence.

Bound to Daddy's Bed Ruby Falls,2013-07-25 Bound to Daddy's BedBlurbAdriana is sneaking in a boy for a little too much late night fun. She is getting into all kinds of trouble much to her step father's disappointment, but can he put an end to her slutty ways by disciplining her in a new way? He interrupts one of her sleepovers and in his anger he ties her naked body up to his bed, providing a much too tempting display of her wet pussy. He is going to let her know what it's like to be with a real man. After he gets through with her deliciously fuckable young body, she won't settle for boy in her bed again.For Adults only!This 7000 word short story contains graphic language and depictions of sex including daddy/daughter themes, rough sex, bondage, and unprotected sex. All of the characters are over 18 and none of the sexually active characters are

blood related. Excerpt:What the hell am I going to do with you?I don't know. You already grounded me. I rolled my eyes.Don't roll your eyes at me young lady!But Daddy, I was in my room just like you asked me to be. I didn't do anything wrong.Stop rolling your eyes at me. You don't see anything wrong with sneaking in a boy after dark?No. We were being responsible. He used protection. Just because you don't have a sex life doesn't mean I don't have to. I couldn't believe he was drilling me like this. He knew I had sex. He was my OBGYN, and not only did he take care of all my exams, he gave me my birth control pills when I was sixteen. That's it. This time you've gone too far, Adriana. He stalked over to the side of the bed and ripped the sheets from my prone body. It had been the first time in years he had seen my body without a stitch of clothing. I didn't make any attempt to hide my nudity from him, but I did press my legs together tightly. My nipples were puckered with the chill of the air and my father stopped for a moment to admire my body. He started with my flushed face but then his dark eyes dropped to my breasts and then finally slid along my lower anatomy to my legs and then back up to meet my face again. He reached down and wrapped his fist around my wrist, yanking me sharply from the bed. No, Daddy.I fought him, trying to pull away. I didn't know where he was taking me, but he was so angry I didn't feel he was not safe to be around.Jesus, Adriana. Stop fighting me and it won't hurt as much.Stop! What are you doing?Something I should have done a long time ago, he growled. He dragged me into his bedroom. The sheets to the King size bed were mussed up as if he had tried to sleep. He must have overheard Todd and me going at it. He stopped next to the bed and let go of my hand.Stay here, he commanded.I looked towards the door-my only escape-and then back to my stepfather, John. What would I be risking to make a run for it? Would I be kicked out of the house forever? Would Todd welcome me into his house and what would happen to me? If I risked it, I also risked he wouldn't be helping me anymore. Forget school, I didn't have the money to make my car payments. In a matter of months it would be repossessed. I didn't move. He seemed satisfied and left to rummage through his closet. He came out with a leather belt and snapped it between his hands. Goosebumps rose on my arms. He couldn't possibly be planning to use that on me. My butt muscles clenched involuntarily. What is that for?Adriana, we have to come to an understanding between us. If you can't have any self discipline, then I have to take you under my wing. I never thought I would have to do this, but you have left me no choice. His white knuckles gripped the leather. He looked determined to make this happen.More than anything I did not want to feel my Daddy's belt. I have never been whipped before. I was afraid of the pain, and the humiliation. Daddy, you don't have to do this.

Daughters and Fathers Lynda E. Boose,Betty S. Flowers,1989 What do our girls think about their fathers? And what are fathers struggling with when it comes to their relationship with their daughters? The bestselling author of *BEING 14* now tackles the complicated father/daughter relationship.

Venus in Blue Jeans Nathalie A. Bartle,Nathalie Bartle,Susan Lieberman,1999-06 A landmark book offers a new dialogue for the next generation of mothers and daughters. Who knows what is going to happen when the hormones kick in

at age sixteen and she falls madly in love? says one mother about her daughter. Statistically, the answer is alarming: 65 percent of eighteen-year-old girls have had sex. Four of every ten sexually active girls get pregnant, most of them unintentionally. Now more than ever, talking about sex is an essential rite of passage for both mothers and daughters. And in this groundbreaking book, Nathalie Bartle shows mothers how to help guide their daughters safely through the fears, intimacies, and sexual choices of adolescence. Combining stories of raising her own daughter with the voices of other families, Bartle tells us what today's young women urgently want to know--and what mothers need to tell them. Practical strategies and real-life examples help both parent and teen get the conversation right--encouraging trust, correcting misinformation, and emphasizing the importance of relationships and values. She covers: When is the right time to begin talking to girls about sex? How can you get your daughter to listen? How can you get past the mutual embarrassment? What six strategies have other mothers found effective? How can you play a role in your daughter's sexual education--without encouraging her to be sexually active?

Oedipus Anne Diana Hume George, 1987 Merging feminist and Freudian psychoanalytic approaches, this volume creates an illuminating portrait of Anne Sexton--a female hero in the tradition of Oedipus and his tragic quest for truth. George shows how Sexton's quest for knowledge transformed her into an embattled prophet as well as a tragic victim of her culture's malaise; and how she explored the cultural myths and archetypal relationships between parent and child, man and woman, divine and human. She contends that out of this exploration blossomed a poetry that is powerful, moving, and significant to mid-20th century artistic and psychic life. ISBN 0-252-01298-4: \$24.95.
