

Dont Believe It

Christian G. Meyer

Don't Believe It Charlie Donlea, 2019-03-26 From the acclaimed author of *Twenty Years Later* comes a twisting, impossible-to-put-down novel of suspense in which a filmmaker helps clear a woman convicted of murder—only to find she may be a puppet in a sinister game. Fans of Freida McFadden and Alice Feeney will be left breathless by this unforgettable thriller that builds to a shocking conclusion... *The Girl of Sugar Beach* is the most watched documentary in television history—a riveting, true-life mystery that unfolds over twelve weeks and centers on a fascinating question: Did Grace Sebold murder her boyfriend, Julian, while on a Spring Break vacation, or is she a victim of circumstance and poor police work? Grace has spent the last ten years in a St. Lucian prison, and reaches out to filmmaker Sidney Ryan in a last, desperate attempt to prove her innocence. As Sidney begins researching, she uncovers startling evidence overlooked during the original investigation. Before the series even finishes filming, public outcry leads officials to reopen the case. Delving into Grace's past, Sidney peels away layer after layer of deception. But as she edges closer to the real heart of the story, Sidney must decide if finding the truth is worth risking her newfound fame, her career ... even her life. "You can't blame Charlie Donlea if the ending of his novel makes your jaw drop. The title alone is fair warning that his characters are no more to be trusted than our initial impressions of them." —The New York Times Book Review

Don't Believe Everything You Think Joe Post, 2016-09-20 Do the same things seem to keep happening to you again and again? You decide how you want things to be, but nothing seems to work out the way you hope for, no matter how much planning you do. Have you concluded it's just the way it is? It doesn't have to be. In his book, *Don't Believe Everything You Think: Change the Way You Feel by Changing the Way You Think!* author Joe Post draws on personal observations and experiences as a life coach to help you change your life in a positive way. He explains the connection between what you think and how you feel. As the law of attraction often bears out, one attracts what one emits. If you send out positive feelings, positive things happen. But if you're negative much of the time, you'll find yourself surrounded by negativity. That may seem like a simple concept, but many of us have issues that stop us from making that connection in a positive manner. Joe Post helps you discover underlying issues and learn to change your way of thinking to have the feelings and life you want. *Don't Believe Everything You Think: Change the Way You Feel by Changing the Way You Think!* is an important step in changing how you think and how you feel. Discover the power you have to change your life.
