The Sanest Guy in the Room Don Black, 2020-07-23 THE SUNDAY TIMES BESTSELLER ' . . . a compelling memoir. Breezy and unpretentious, *The Sanest Guy in the Room* is a delightful collection of memories, insider information and after-dinner anecdotes' The Times 'Brilliant stories and wonderful behind-the-scenes glimpses of a life and career in show-business . . . It's bloody brilliant . . . Read it!' Michael Ball Don Black is the songwriter's songwriter, a composer's dream collaborator, and the man behind some of the twentieth century's greatest musical numbers. Black made his first foray into the glittering world of showbiz as a stand-up, before realising his error and focusing on his lifelong passion instead - music. Shirley Bassey, Michael Jackson, Quincy Jones, Henry Mancini and Barbra Streisand are just some of the artists Black has worked with over the years - not to mention his frequent collaborator, West End legend Andrew Lloyd Webber - in what can only be described as a remarkable musical career. Yet, never one to court fame, Black has always remained what Mark Steyn coined as 'the sanest guy in the room'. Interwoven with the stories behind songs such as 'Diamonds are Forever' and 'Born Free' are vignettes of Black's life with his beloved wife Shirley, who died in March 2018, after almost sixty years of marriage. Black writes movingly about how the enormity of his grief changed his life, and how the dark days are slowly turning into dark moments. *The Sanest Guy in the Room* is a rich and delightful paean to a life lived through song. It reveals the essence of Black's craft, looks at those who have inspired him and allows us to understand what made those icons tick. It is also a poignant tribute to Shirley, his biggest inspiration. Told with wit, warmth and great humour, this is Don Black's astonishing musical journey and an insight into a life behind the lyrics.

Tom's Crossing Mark Z. Danielewski, 2025-10-28 NEW YORK TIMES BESTSELLER • From the bestselling author of *House of Leaves* comes a magisterial novel about two friends determined to rescue a pair of horses set for slaughter. "This is

an amazing work of fiction. I absolutely loved it. At the heart you'll find a blood-drenched story of pursuit and two brave and resourceful children. But there's so much more. I immersed myself. Have never read anything like it." —Stephen King Hard to figure how so much awful horror could've started out with just them two horses and not a one yet named... While folks still like to focus on the crimes that shocked the small city of Orvop, Utah, back in the fall of 1982, not to mention the trials that followed, far more remember the adventure that took place beyond municipal lines. For sure no one expected the dead to rise, but they did. No one expected the mountain to fall either, but it did. No one expected an act of courage so great, and likewise so appalling, that it still staggers the heart and mind of anyone who knows anything about the Katanogos massif, to say nothing of Pillars Meadow. As one Orvop high school teacher described that extraordinary feat just days before she died, Fer sure no one expected Kalin March to look Old Porch in the eye and tell him: You get what you deserve when you ride with cowards.
