The Life of St. Paul James Stalker,2016-06-04 Paul was the interpreter of Christ, saying what Christ Himself would have said under the circumstances. Paul's entire theology was nothing but the explication of his own conversion. In bringing Paul West, Providence gave to Europe a blessed priority, and the fate of our continent was decided, when Paul crossed the Aegean. A secret of Paul's success was his sense of having a mission and his freedom alike from the bondage of bigotry and the bondage of liberty.

THE EARLY DAYS OF CHRISTIANITY Frederic William Farrar ,2022-03-07 THE EARLY DAYS OF CHRISTIANITY was written to give some background to the New Testament by supplying context to circumstances that form the historical setting and information on people, places, and events that could help a Bible reader better understand and interpret the Bible. This is a study tool, a companion, partly historic and partly expository, to the whole of the New Testament Farrar hopes that by considering each book in connection with all that we can learn of its author, and of the circumstances under which it was written, he might perhaps contribute to a better understanding of the Scriptures.
