Rock and Roll Baby Names Margaret Eby, 2012-04-03 Everything an expectant music-lover needs to know about the lyrics, band trivia, and other rock-and-roll factoids linked to thousands of popular baby names. What do we know about Caroline? Neil Diamond says she's sweet and The Beach Boys say she prefers short hair when she's older. And what about guys named Victor? Prince and Blondie say Victor is possibly a saint, but also flees from the law. Offering the rock-and-roll definitions of these and dozens more popular names, the wildly popular Rock 'n' Roll Baby Name Dictionary post on Flavorwire drew over fifty thousand hits days after it was launched. Now its creator, pop-culture writer Margaret Eby, rolls out the complete encyclopedia, from Alison to Ziggy and everyone in between. Rock and Roll Baby Names lets every music-savvy parent discover a name's role in rock history. Each entry explains a classical definition and a definition of the name from song lyrics, along with fun liner notes about the featured song or band. Sidebars include Best Punk Rock Names for Boys and Weirdest Rock Star Children's Names, with quizzes such as Which Rebel Name Should You Give Your Girl? Every modern baby-from the Girl Next Door to the Rebels and Renegades-will find a legendary legacy in these pages.

The Downloader's Music Source Book, 2005 You know what you like...but can you remember? We have the technology to create our own greatest hits collections, but we all like to browse before we buy, and The Downloader's Source Book is the biggest shop window of them all. song title, this book is the essential companion for anybody in the digital music marketplace. Comprehensive and easy to use, the fast multiplying ipod generation can only make the most of their new technology with The Downloader's Source Book at their side.

Rock N Roll Gold Rush Maury Dean, 2003 This monster Rock-n-Roll survey focuses on the songs and the vibrant personalities who create them, for college audiences and the general public. Dean published the world's first history of Rock in 1966. Here, in his ebullient style, he buzzes through piles of musical singles from the whole last half century, describing what is fun about each major and minor hit, pointing out what elements were exciting or new or significant in the development of musical styles. He relates some tantalizing tidbits about the earlier musical heritage that artists have drawn upon in crafting ever more amazing evolutions of rock music. This snappy, witty and informative album has universal appeal, doubling as a coffee-table trivia treasure and a college-level popular music history text. It includes hundreds of photos, chapter questions, and an extensive index. Reader-friendly and informationally complete, it covers soft rock, heavy metal, rhythm & blues, country rock and classic oldies, all with tender loving care, for the specialist and casual listener alike. Its mini-portraits of the artists who move so many hearts (and feet), the photos and the insightful sound bites get to the essence of each song and each musician's contribution to the music of our age. The single-song focus makes the book unique. It's a playlist for R'n'R professors and the general public, written with a collegiate vocabulary, tight organization and a respect for all. Hearing Elvis for the first time was like busting out of jail. - Bob Dylan That being said, no one is being incited, here, to bust out of jail or to emulate the quixotic habits of rock stars. There's nothing in here to hide from the kids, the clergy or grandma. Gold Rush can be used as a university or community college text, but most people will grab it for the sheer pleasure of reading about everyone's favorites. Great gift for Rock enthusiasts. Gold Rush is the first book of its kind to feature a celebration of the great single songs of the rock era and beyond. Gold Rush takes thousands of songs, spanning three centuries, and brings them back uniquely as if they came out just yesterday. Gold Rush unites the Anglo-American and later worldwide spirit of Rock and Roll in a tapestry of interconnected melodies and adventures. As Leonard Maltin's Movie Guide helps you select videos at Blockbuster, so Gold Rush is a powerful playlist for your music collection, with many new and fascinating photos of favorite stars. Gold Rush explains the most important stories behind the songs you picked to be played, the songs that 'went gold,' from the 1897 Alaska/Klondike Gold Rush to the #1 songs of today and beyond.
