Emily Wilde's Encyclopaedia of Faeries Heather Fawcett, 2024-07 Cambridge professor Emily Wilde is good at many things: She is the foremost expert on the study of faeries. She is a genius scholar and a meticulous researcher who is writing the world's first encyclopaedia of faerie lore. But Emily Wilde is not good at people. She could never make small talk at a party -- or even get invited to one. And she prefers the company of her books, her dog, Shadow, and the Fair Folk to other people....

Quotes by Oscar Wilde Lilith Regan, 2020-03-05 Be yourself; everyone else is already taken. I can resist everything except temptation. We are all in the gutter, but some of us are looking at the stars. To live is the rarest thing in the world. Most people exist, that is all. The truth is rarely pure and never simple. I have nothing to declare except my genius. There is only one thing in the world worse than being talked about, and that is not being talked about. To lose one parent may be regarded as a misfortune; to lose both looks like carelessness. Experience is simply the name we give our mistakes. Always forgive your enemies - nothing annoys them so much.

Oscar Wilde Quotes Mazimum Q,2022-12-11 This book contains 1000 of the very best great Oscar Wilde quotes. Oscar Wilde was the toast of Victorian London. Not only was he the most popular playwright of West End theatreland, but he was also a colorful and flamboyant man about London, welcomed everywhere for his amusing speeches and lectures. His novel, *The Picture of Dorian Gray*, is one of the iconic novels of the late 19th century. His major plays *The Importance of Being Earnest*, *Lady Windermere's Fan* and *An Ideal Husband* are regularly performed, and new films and television versions appear annually. Wilde was born in Ireland and relocated to London in early adulthood. He is often referred to as an English writer, and these days he is regarded as a national treasure in both countries. Shakespeare apart, he is, without doubt, the most quoted of writers in the English language. He had a unique mind - one that couldn't help applying a cynical tongue to just about everything he saw and heard. And always amusing, while being thought-provoking. Even on his deathbed, he couldn't help it. As his life was ending in a cheap bed in a rundown French pension the poverty-stricken Wilde, according to friends attending his death, looked around the shabby room, and said: 'My wallpaper and I are in a battle to the death, one or the other must go.' Many of Oscar Wilde's observations, taken from his writing and his reported conversations and speeches, have become common currency in the modern English language. Such quotes as, 'I can resist everything except temptation'; 'Work is the curse of the drinking class'; 'There is only one thing in the world worse than being talked about, and that is not being talked about', and the more sober, 'We are all in the gutter, but some of us are looking at the stars', have become common sayings. With this in mind, kindly get a copy of this great book and go through our pick of 1000 of the very best Oscar Wilde quotes. If you enjoyed this book, please take a few moments to write a review of it. You can as well visit our YouTube channel: <https://www.youtube.com/@MazimumQuotes> Thank you!

Sayings of Oscar Wilde Oscar Wilde, 2005-05 'I can resist everything except temptation' 'All women become like their mothers; this is their tragedy. No man does; that is his' 'All bad art is the result of good intentions' 'To love oneself is the beginning of lifelong romance' It is impossible to imagine the universe, someone said, without Wilde's epigrams. Their secret is that they can be at once true and false. As we absorb the paradox, our view of life is extended and enlarged. Here, in small compass, is a collection of more than four hundred of Wilde's best sayings, culled from his plays and other writings. Wilde's wit is never ponderous or pretentious. Like Falstaff, Wilde is not only gay himself, but the inspiration of gaiety in others.
