The Next Flame Penelope Douglas, 2025-08-26 Here are New York Times bestseller Penelope Douglas's two bestselling novellas in the Fall Away Series, together in one volume for the first time. AFLAME All through high school, Jared Trent called the shots. He decided if Tatum Brandt would be happy or sad, fearful or free. He owned her heart, and he played with it like one of his cars. Never again. Two years ago, Jared left town, and Tate's life is exactly where she wants it to be. Or

that's what she tells herself... Because two years ago, her heart also stopped beating, and no matter the success in school or the support of her friends, there's only one time every week she can feel that same rush in her blood: Friday nights on the track. That's hers, not his, and to hell with anyone that gets in her way again. Especially him. NEXT TO NEVER Under the close watch of the men in her family, Quinn Caruthers has found it nearly impossible to spread her wings—or even date—without her three older brothers, Jared, Madoc, and Jaxon, jumping in to hover. And when a family friend—several years older—from her childhood still holds her heart, she knows they're going to be a problem. Lucas Morrow is a man, and knowing her brothers, he may as well be forbidden. But Lucas left town and shows no signs of returning. Quinn knows she shouldn't wait for him anymore.... Until a package turns up on her doorstep with no return address and its contents reveal family secrets that threaten to turn her world upside down. She's never asked about the path of her parents' romantic history, but she soon learns their happy marriage had a very rocky and passionate start. As she starts to see things around her with new eyes, Quinn will have to make tough choices about whether she'll keep waiting...or finally go after what she really wants.

Rival Penelope Douglas, 2014-08-26 From the BookTok sensation and New York Times bestselling author of *Bully* and *Falls Boys* comes the third novel in the Fall Away series. Two estranged teenagers play games that push the boundaries between love and war.... For the two years she was away at boarding school, Madoc had no word from Fallon. Back when they lived in the same house, she used to cut him down during the day and then leave her door open for him at night. Now he's ready to beat her at her own game.... Fallon can tell that Madoc still wants her, even if he acts like he's better than her. But she won't be scared away. Or pushed down. She'll call his bluff and fight back. That's what he wants right? As long as she keeps her guard up, he'll never know how much he affects her....

Until You Penelope Douglas, 2016-01-05 From BookTok sensation and New York Times bestselling author Penelope Douglas comes a riveting companion novel to *Bully*. This is Jared's story.... Have you ever been so angry that hitting things felt good? Or numb to all emotions? The past few years have been like that for me. Traveling between fury and indifference with no stops in between. Some people hate me for it, while others are scared of me. But none of them can hurt me, because I don't care about anything or anyone. Except Tatum. I love her so much that I hate her. I hate that I can't let her go. We used to be friends, but I found out that I couldn't trust her—or anyone else. So I hurt her. I pushed her away. But I still need her. She centers me. Engaging her, challenging her, pushing her—it's the one last part of me that feels anything anymore. But then she went and screwed everything up. She left for a year and came back a different girl. Now, when I push, she pushes back...and I'm not sure either one of us will ever be the same.

Aflame Penelope Douglas, 2015-04-21 From the New York Times bestselling author of *Bully* comes a gripping novella in the Fall Away series—the epic conclusion to Jared and Tate's story. The tables have turned. Now I have the power—and it's

his turn to beg.... Everyone wants to be me. Maybe it's the sway of my skirt or the way I flip my hair, but I don't care. Even though their attention is the last thing I crave, I just can't stop. I dominate the track, the speed rattles my bones, and the wind and the crowd screams my name. I'm her. The girl driver. The queen of the race. And I'm surviving—something he thought I'd never do. They all talk about him. Did you see Jared Trent on T.V? What did you think of his last race, Tate? When is he coming back to town, Tate? But I refuse to care too much. Because when Jared does come home, I won't be here. Tatum Brandt is gone. I'm someone new....

Next to Never Penelope Douglas, 2017-01-17 New York Times bestselling author Penelope Douglas introduces Quinn, younger sister to Jared, Madoc, and Jaxon, in this captivating novella in the Fall Away series. Quinn Caruthers has several problems: her father, Jason, and her three older brothers, Jared, Madoc, and Jaxon. Under the close watch of the men in her family, Quinn has found it nearly impossible to spread her wings—or even date—without them jumping in to hover. And when a family friend—several years older—from her childhood captures her heart, she knows they're going to be a problem. Lucas Morrow is a man—experienced, sophisticated, and important. And knowing her brothers, he may as well be forbidden. But Lucas left town years ago and shows no signs of returning. Quinn knows she shouldn't wait for him anymore. Then a package turns up on her doorstep with no return address and its contents reveal family secrets that threaten to turn Quinn's world upside down. She's never asked about the tumultuous path of her parents' romantic history, but she soon learns their happy marriage had a very rocky and passionate start. As she begins to see things around her with new eyes, Quinn will have to make tough choices about whether she'll keep waiting...or finally go after what she really wants.

Nicene and Post-Nicene Fathers First Series, St. Augustine Philip Schaff, 2007-05-01 The Council of Nicaea in 325 AD marked the beginning of a new era in Christianity. For the first time, doctrines were organized into a single creed. The Nicene and Post-Nicene Fathers did most of their writing during and after this important event in Church history. Unlike the previous era of Christian writing, the Nicene and Post-Nicene era is dominated by a few very important and prolific writers. In Volume IV of the 14-volume collected writings of the Nicenes and Post-Nicenes (first published between 1886 and 1889), readers will find Augustines writings defending the Catholic church against the Manichaeans and the Donatists. Manichaeism was a religion developed in Persia by the prophet Mani. According to this religion, creation has two parts: darkness and light. Light is God and has ten attributes. Opposing this, and coeternal with it, is darkness and its five attributes. Saint Augustine was originally a Manichaean, so his defense of Christianity against this religion comes from a deep understanding of its nature. Donatists were a group of believers who refused to forgive those who had renounced their faith during a time of persecution, which caused a schism in Christianity. In opposing these men, Augustine attempted to mend the rift. Those with an interest in ancient religions will find Augustines writings on Manichaeism one of the most important historical records of that religions practices.

Bully Penelope Douglas,2014-02-18 New York Times bestselling author Penelope Douglas delivers an unforgettable romance that toes the fine line between love and hate in *Bully*—the first novel in the *Fall Away* series. My name is Tate. He doesn't call me that, though. He would never refer to me by a friendly nickname. No, he'll barely even speak to me. But he still won't leave me alone. We were best friends once. Then Jared turned on me and made it his mission to ruin my life. I was humiliated, shut out, and gossiped about all through high school. His pranks and rumors got worse as time wore on, and I made myself sick trying to stay out of his way. I even went away for a year just to avoid him. But I'm done hiding from him now, and there's no way I'll allow him to ruin another year. Jared might not have changed, but I have. It's time to fight back....

Until You Penelope Douglas,2013-11-22 Have you ever been so angry that hitting things felt good? Or so numb that you actually felt high? The past few years have been like that for me. Traveling between fury and indifference with no stops in between. Some people hate me for it, while others are scared of me. But none of them can hurt me, because I don't care about anything or anyone. Except Tatum. I love her so much that I hate her. We used to be friends, but I found out that I couldn't trust her or anyone else. So I hurt her. I pushed her away. But I still need her. The sight of her centers me, and I can pool all of my anger into her. Engaging her, challenging her, bullying her. they are by food, my air, and the last part of me that feels anything human. But she left. She went to France for a year, and came back a different girl. Now, when I push, she pushes back.--Cover.
