Dawn Atkins

Lesbian Sex Scandals Dawn Atkins, 1999 Lesbian Sex Scandals addresses the contradictory separation of lesbian sexuality from lesbian identity. Readers will gain unique insight into the blending of feminism and lesbianism and see how it has sometimes failed in acknowledging the reality of lesbian sexual experiences. As the contributors to this collection document, sexual practices are often at the core of lesbian sexual identities, communities, and politics, but are usually downplayed when exploring lesbian identity. The contributors to Lesbian Sex Scandals address important, real issues of sexual practice and sexual politics. They explore important experiences, questions, and directions concerning lesbian sexuality, giving you keen insight into the possibility for renewed lesbian sexualities. Copyright © Libri GmbH. Love, Sex, and Marriage Julie Coleman, 2022-06-13 If the language we use influences and reflects the way that we see the world, then the fields of LOVE, SEX, and MARRIAGE, will show how speakers of English view their closest social and emotional relationships. Love, Sex, and Marriage provides a classification of English terms for these three fields from the earliest written records of the language until the present day. This volume makes it possible to trace changing attitudes towards social and sexual ties, and to understand those ties as earlier speakers of English did, through the language they used. The terms are arranged by meaning, and are listed chronologically within semantic fields, with their dates of usage. Notes on individual terms provide further information about their connotations and development. Language does not exist in isolation from the people who speak it, so background information about changes in social conditions, religious beliefs, and medical advancements is also included. A brief introduction to basic semantic terminology explains the principles behind the classification, and an alphabetical index facilitates the location of individual terms.

Assessing and Managing Problematic Sexual Interests Geraldine Akerman,Derek Perkins,Ross Bartels,2020-07-19

Assessing and Managing Problematic Sexual Interests: A Practitioner's Guide provides a thorough review of atypical sexual interests and offers various ways through which they can be measured and controlled, including compassion-focused and psychoanalytic approaches. This unique guide presents a detailed analysis of deviant sexual interest. Part I, 'Assessment,' overviews the range of sexual interests and fantasies in men and women. Part II, 'Management,' investigates the cutting-edge tools, approaches, interventions, and treatment advances used in a variety of settings to control deviant sexual interest. In Part III, 'Approaches to assessment and management', the authors consider how females with sexual convictions can be assessed and how offence paralleling behaviour can be used for assessment and treatment. Throughout, Assessing and Managing Problematic Sexual Interests offers necessary perspectives and emerging research from international experts at the forefront of this field. With a thorough assessment of current research and a critical overview of treatment advances for problematic sexual interests, Assessing and Managing Problematic Sexual Interests is an essential resource for clinical and forensic psychologists, probation officers, academics, students working in the field, and members of allied professional fields.

Gay Personality And Sexual Labeling John Dececco, Phd,2013-12-16 Are scientists--who by definition are supposed to be objective and clinical in their theories--actually assuming common cultural prejudices and moral standards when it comes to their research on homosexuality? Some of the best minds in sexual liberation take a hard look at how homosexuality is still defined and viewed by established schools of thought and propose fascinating and often controversial ideas on the true nature of the gay personality and identity. This challenging book explores how gay people can "label" themselves or avoid the gay label entirely while still being homosexual, as well as how others label gay people.

A Quick & Easy Guide to Consent Isabella Rotman,2020-10-28 A quick, easy and important educational comic guide to giving and receiving consent in sex, relationships, and other physical contact.

Human Sexuality Vern L. Bullough,Bonnie Bullough,2014-01-14 First Published in 1994. The purpose of an encyclopedia is to gather in one place information that otherwise would be difficult to find. Bring together a collection of articles that are authoritative and reflect a variety of viewpoints. The contributors come from a wide range of disciplines—from nursing to medicine, from biology to history— and include sociologists, psychologists, anthropologists, political scientists, literary specialists, academics and non-academics, clinicians and teachers, researchers and generalists.

Exploring the Dimensions of Human Sexuality Greenberg,Clint E. Bruess,Sara B. Oswalt,2016-02-19 Fully revised and updated with the latest data in the field, the Sixth Edition of Exploring the Dimensions of Human Sexuality represents all aspects of human sexuality and explores how it affects personality, development, and decision making. Using a student-friendly interpersonal approach, the text discusses contemporary concepts as well as controversial topics in a sensitive manner, and covers the physiological, biological, psychological, spiritual, and cultural dimensions of human sexuality.

Exploring the Dimensions of Human Sexuality is an essential text for teaching sexuality and presents an integrated view of human sexuality that encourages students to pursue positive decisions, sexual health, and a lifetime of wellness.

Safe, Sane and Consensual Darren Langdridge, Meg John Barker, 2007-11-08 Psychological and medical perspectives on sadomasochism have historically been concerned with understanding it as a form of psychopathology. In the past (but still often today) studies of S/M have been concerned with extreme and most often non-consensual acts. However, more recently there has been growing interest in exploring the meaning of S/M in non-pathological ways. This book directly addresses this development, presenting some of the most recent cutting edge work on S/M by leading international scholars who all seek to understand rather than pathologise. This includes the latest thinking on theory and practice, academic-community pieces, as well as the presentation of new empirical findings across the range of identities and practices that constitute S/M.
