No one in Imirath had ever seen a dragon, until five eggs long thought fossils hatched in the presence of their young princess, Elowen Atarah. Fearing the power his daughter would wield through her soul-bond with the creatures, King Garrick imprisoned her for many years, desperately trying to break the bond that united them, until a daring rescue saved Elowen from his clutches - but left her five precious dragons at his mercy. Years later, Elowen is now a woman determined to free her dragons. Even if that means leaving the home she built for herself. Or having to align herself with the Commander of Vareveth, Cayden Veles, the most feared and dangerous man in all the kingdoms of Ravaryn and her father's sworn enemy. Cayden promises to help Elowen if she will stand with him and all of Vareveth in the pending war against Imirath. Despite their contrasting motives, Elowen can't ignore their undeniable attraction as together they plot to infiltrate her father's impenetrable castle to steal back her dragons and seek revenge on their common enemy. The pull between Elowen and Cayden becomes impossible to resist, even when trusting each other seems both reckless and essential.
